in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with slek headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemen julce, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

# "SUNDAY BEST"

The days are returning when "everybody kept his best for Sunday." It's a good thing. The idea is to make things last. Good clothes will cost more before they cost less, and the old-fashioned way of having something in reserve, helps. No use buying cheap stuff; doesn't wear.

One good suit outlasts two cheap ones every time! How about a dark mixture, or a blue or a grey for your "Sunday best?"
