Interesting Games in Several League Series Among the Bowlers

The first round in connection with the McAvity League is over and shows the King Street Store in first place. All the games are evenly matched. This league has brought out many bowlers who were previously unknown. No. 1 team has several young bowlers who before this season is over will have made quite a name for themselves. No. 2 team, under the able management of Mr. Treat, who is quite a bowler, also has many young bowlers. Foshay's team consists of two "dark horses" in Luck and Kelly. Ernie Wood's team are practically all new men, but with a little more practice and experience will make the best of them. The King Street Store team, although occupying the elder position, are a strong formidable team and will no doubt show up better in the league progress.

Andy Ramsay's "war horses," who are leading are all good bowlers. Andy has a strong assistant in the veteran, David McAvity. Harrison's 4.5 boys are all good men. Phinney having bowled against Walsh and Poehler in the Boston leagues. Phinney got away to a good start in his last game, but went bad towards the finish. Art McClosky's boys will need to be watched as they are all good bowlers. Following is the standing of the league to date:

Team	Won	Lost	P.C.
Water Street Store	4	0	1.000
Water Street Office	3	1	.750
Vulcan Foundry	3	1	.750
4.5 in. Shell Plant	3	1	.750
Water St. Finishing	1	3	.250
Water St. Foundry	1	3	.250
12 in. Shell Plant	1	3	.250
King St. Office	0	4	.000

Notes of the Game.  
If the newly organized "McAvity League" does nothing else, it will have provided an evening home for Pat Kitchin.

## SCANDAL

ONE OF THE BLIGHTING, BLASTING EVILS of all ages has been Scandal. It has ruined more happy homes than rum, has driven more sensitive people into madhouses. An unbridled tongue is a curse upon the owner; an evil imagination a most unlovely thing. Today's story should make some people think.

ended with No. 4 team in the lead. Many interesting games have been witnessed and much interest displayed. No. 4 team also holds the record for the highest pinfall, viz. 1,156. The standing of this league is as follows:

T. No.	T.	P.W.	P.L.	Pinf.	P.S.
4	Wire Room	17	3	5,496	.587
5	Swindon	15	9	6,450	.650
2	1st Floor	5	7	6,244	.417
1	Linenmen	4	12	4,016	.250
3	2nd Floor	9	6	4,180	.187

Results of Series Games  
In the series between the A. L. Goodwin and the Postoffice staff team, both have won and lost four points each. The roll-off will be held next Tuesday. The standing of the team follows:

Team	P.W.	P.L.	Pinf.	P.S.
Goodwin	4	4	2,455	.500
Postoffice	4	4	2,486	.500

As can be seen by these scores, the teams are evenly matched, only nineteen pins separating them.

On Saturday afternoon two match games were played on these alleys, also on Saturday night. J. M. Humphreys' team won from a picked team from McAvity's Water Street foundry, 1,150 to 1,077.

In an interesting game between the Overseas Transport and the Import and Billing Department of the C. P. R. on Saturday afternoon, the former won. This game was to be decided by points.

The C. P. R. won the first by 33 pins. Next string the Overseas boys came back strong and won by 42, giving them a majority of nine pins. The C. P. R. took the next string by four pins, but lost the total, being defeated by five pins. As each team won two points, it was necessary to have a roll-off, which was won by the Overseas staff by a score of 86 to 82. Considering all, it was a close game and caused much excitement among the "fans" present. Following is the result:

Overseas	79	83	78	240	17
McGovern	73	104	75	232	27
McGuire	58	64	62	184	11
Cunningham	85	75	82	242	17

## THE BEER QUESTION

(Toronto Globe.)  
Sir William Hearst was complimented by the hoots and hisses which greeted his straight-fronted refusal to modify the Ontario Temperance Act in the interest of the brewing business and its allies. He faced a gathering which was designed to impress him by its own numbers and its claim to represent much greater numbers of the working classes. He might have averted a hostile demonstration by two or three smooth phrases. In similar
