The Ingersoll Curling Club will hold a local bonspiel Friday evening, Feb. 4th, play to commence at 7.30. The following skips are appointed and must take the Seldon trophy rinks: A. McDermid, M. J. Comiskey, Dr. Rogers, W. J. Peters, Chas. White, F. G. Walley, O. E. Robinson, C. C. L. Wilson, Chas. Rogers, W. H. Beatty.

FLEET OF ZEPPELS WERE DRIVEN OFF.

London, Feb. 2.—A fleet of Zeppelins—apparently the same fleet which passed over English counties Monday—attempted a raid on London last Friday night. The fog which prevailed Monday enabled the Zeppelins to evade the aeroplanes. They steered a different course from their first approach and were able to make their way inland over the country north of London.

It is believed from the German reports that the Zeppelin commanders had only a vague idea of what localities they visited; seemingly they bombed at random any town they found themselves over, and it is pointed out here that, from the results, they were unable to distinguish any single out any military or munition works.

In the absence of newspaper accounts, people from the provinces coming to London, bring the information that one of the places most seriously damaged was of no military character whatever. Twenty workmen and women are reported to have been killed there.

A couple married at a prominent town Monday afternoon were both killed in the evening by a Zeppelin bomb.

ITALY NOW IN FULL CONTROL

OF ALL OPERATIONS IN ALBANIA—FULL POWERS GRANTED TO COMMANDER-IN-CHIEF OF EXPEDITIONARY FORCE.

Rome, Feb. 2.—Full powers have been granted the commander-in-chief of the Italian expeditionary force in Albania. He has been invested with political authority over the territory where the Italian troops are operating, and is entrusted with the command of the forces landed in the territory under his jurisdiction and when such territory is administered by other States.

The commander-in-chief is further empowered to proclaim a state of war. He is autonomous and responsible only to the War Office, which communicates to him the decisions of the Cabinet Council.

Thus Italy is now in full control of the military operations in Albania, a control for which she asked the Entente powers three months ago when the invasion of Albania by the Austrians and Bulgars began.

Albania is considered as an independent theatre of war. This explains why information has been and is being withheld in connection with the military preparations and the plan of action to be pursued by the Italians. The prevailing conviction here is that the advance of the Austrians from the north, and the possible occupation by this army of Durazzo, will not be opposed, since it is inexpedient to defend that port from the sea owing to the lack of ports.

For this reason Essad Pasha's army and the Serbian and Montenegrin remnants which joined it have evacuated the city, and will retire within the Italian lines. The entrenched camp at Avlona, which is destined to assume equal importance with Saloniki, this is now the base for any future offensive in Albania.

While the Austrians are advancing from the north a Bulgarian force is marching from the east in the direction of Avlona. Its advance is delayed by bad roads, but aided by Albanians in Austria's pay. The strength of this force is estimated at more than sixty thousand. This invading army is resorting to wholesale looting and to the massacring of tribesmen.

REPLY TO SPEECH FROM THRONE

FORMALLY PASSED WITHOUT DIVISION—ESTIMATES ARE TO BE TABLED IN HOUSE TODAY.

Ottawa, Feb. 2.—After a little more than a fortnight's debate, the Address in reply to the Speech from the Throne was formally passed without division in the Commons shortly before the 6 o'clock adjournment today. There was no amendment suggested to the word of thanks which the Commons sent to his Royal Highness in reply to the Speech from the Throne.

For the balance of the week private members' bills and resolutions, and the Government's replies to three score or more of questions by private members now on the order paper, will take up the time of the House. Next week will come the Government's resolution to extend the life of Parliament by one year.

To-morrow the Minister of Finance has promised to table the estimates of the ensuing fiscal year. The total amount of the votes asked for will give some indication of whether the Government intends to retrench in domestic expenditures, or whether in view of the possibility of a general election during the year the usual pre-election promises to constituents will be held out.

Toronto, Feb. 3.—Two soldiers of the 168th Battalion, Ptes. J. Burph and Ed. Gilbooley, were found yesterday morning overcome by gas fumes in a house at 58 Pearl street. The gas jet had been accidentally left open. The men were rushed to the General Hospital in the police ambulance, and after receiving medical attention were able to leave the hospital.

SENSATIONAL TURN IN BUFFALO CASE

John Teiper, Son and Brother of the Murder Victims, Locked Up.

Buffalo, Feb. 2.—John Edward Teiper was locked up in a cell at police headquarters at four o'clock this afternoon at the request of Sheriff Stengel, of Erie County. No charge was made against him in connection with the murder of his mother and brother, and the probably fatal wounding of his sisters, the victims of the Orchard Park tragedy.

Aside from Teiper's first incarceration in a cell, the most important event of the day was the announcement by District Attorney Dudley that Teiper had signed a statement admitting that the revolver found near the murder auto was his and also that it was in his possession on the night of the murders. Up to today Mr. Dudley said, Teiper had denied ownership of the revolver.

Teiper attended the funeral of his mother and brother this morning. He attended the church services and went to the cemetery where the bodies were buried. He was accompanied by the sheriff and a deputy.

After dinner at the home of his father-in-law, Alton H. Newton, in Argyle Park, he was taken back to police headquarters and locked up. Before leaving the Newton home he saw his wife and three children. His oldest child is two and a half years old and the youngest a baby of six weeks.

COUNTY COUNCIL

The County Council re-assembled Wednesday morning at ten o'clock, with all the members present excepting Reeve Appel, of Tavistock. The greater part of the session was taken up by the reading of Road Superintendent Forbes' report for 1915. The report was a voluminous document, itemizing all accounts and expenditures.

Reeve Carrell introduced a bylaw to borrow the sum of \$90,000 from the Royal Bank, to meet the current expenses of the county.

The Treasurer's report showed that the county's account against Ingersoll for the quarter ending December 31st is \$604.95, and Woodstock, \$1,226.50.

Following are the amounts spent on construction and repairs in the county for roads during 1915:

Road Construction — Blandford: \$103.62; Blenheim, \$2,914.62; Dereham, \$5,514.28; East Nisour, \$465; East Oxford, \$21,528.61; North Oxford, \$1,172.73; West Oxford, \$5,814.63; South Norwich, \$4,752.54; East Zorra, \$6,546.30; West Zorra, \$3,525.24; Tillsonburg, \$1,181.40; Tavistock, \$1,949.47; Total, \$71,932.34.

Repair Account—County repairs, \$8,196.64; tools and supplies \$470.64; plant, \$3,667; miscellaneous, \$1,139.44; machinery and repairs, \$1,841.55; salary, \$990; Total for construction and repairs, \$87,910.91.

Colonel McMullen thanked the council for the grant of \$500 made to the 168th Battalion for recruiting and organization purposes.

ANGLICAN RECTOR CONVERT TO PROHIBITION

London, Ont., Feb. 2.—Rev. R. W. Norwood, M.A., rector of Bishop Croyn Memorial Anglican Church, who has always stoutly opposed temperance movements of any kind, today signed the "dry Ontario" petition and announced himself as a convert to prohibition. By way of explanation Rev. Mr. Norwood, who is one of the outstanding Anglican clergy, men of the Diocese of Huron, and formerly of Montreal, stated among other things that the fact that so many victims of the liquor traffic themselves are signing the petition convinced him that he would be doing wrong in putting any stone in their path.

ANNUAL MEETING ST. PAUL'S CHURCH

THE PASTOR, REV. RONALD MACLEOD, IS GRANTED LEAVE OF ABSENCE WHILE ON ACTIVE SERVICE AND APPRECIATIVE RESOLUTION PASSED—THE FINANCIAL STATEMENT FOR YEAR.

The annual congregational meeting of St. Paul's church was held Wednesday night and was largely attended. The business meeting, at which Mr. J. L. Paterson presided, was preceded by a social period. Supper was served by the ladies of the congregation from 6 to 8 o'clock.

Probably the most interesting feature of the business meeting was in regard to the appointment of the pastor, Rev. Ronald Macleod as Chaplain of the 168th Oxford County Battalion. It was decided to grant Mr. Macleod leave of absence while on active service during which time he will receive the amount above that which is required to pay a temporary supply. The following resolution expressive of appreciation of Mr. Macleod's services was passed unanimously:

"Moved by J. M. Rogers, seconded by J. L. Paterson and resolved, that we, the members of St. Paul's church, in annual meeting assembled, while sincerely regretting the prospective absence on active service of our esteemed pastor, Rev. Ronald Macleod, and while appreciating the fact that we will miss him keenly both in and out of the pulpit, wish most heartily to commend the stand he has taken in offering himself to his country in this its time of need; We wish to assure him of our increasing interest in his welfare and to express to him our deepest wish that circumstances may quickly develop which will permit him at no distant day to return to us where he may be assured of a most hearty welcome. Our regret at parting with him is all the deeper because we realize that it involves also the temporary removal from our midst of Mrs. Macleod, who has in a very short time, made a warm place for herself in our esteem."

Financial Statement.
The financial statement showed that \$7,865 had been raised during the year from all sources, which despite the many calls, was in advance of 1914. The missionary offerings showed a decrease of \$100. It was felt, however, that on the whole, the statement was very satisfactory.

By lapse of time Messrs. A. O. Parker, J. P. Dunn, Hugh Kerr and W. H. Sutherland retired from the Board of Management. The following were appointed: H. E. Hutt, Dr. H. B. McKay, Jos. Stalker, W. H. Sutherland, for three years; Jas. Pirie, for two years; Wm. Porteous for one year and John E. Boles for five years. N. B. Gunn was appointed financial and recording secretary; F. McDougall, Treasurer, and R. B. Robertson, Missionary Treasurer.

DIED IN BUGGY.

St. Thomas, Feb. 1.—An inquest has been ordered into the death of Walter Carns, Vienna.

John L. Soper was driving Carns to the home of his daughter, Mrs. Curtis Bartlett, and, according to the driver, Carns expired suddenly in the buggy.

Mr. Carns was dead when they reached Mr. Bartlett's, Coroner Dr. Johnson, Port Burwell, has set to-morrow as the date for the hearing.
