# CHATHAM. - - APRIL 13, 1882.

### The Miramichi Valley Railway.

It is probable that any intimation there is a scheme afoot to secure Mr. which we might heretofore have given of the real motives and designs of the gentlemen alleged to have made who will probably be Messrs. McManus several trips' to Fredericton in the interest of the Valley Railway, Hon. Robert Young also looks with would have prevented so full a development of the insincerity with which the whole matter has been treated by the Government and the

mixture of duplicity and stupidity that has characterised the "negotiations " of our self-appointed delegates, as has now taken place. By some singular infatuation these gentlemen appear to imagine that they can delude the majority of their friends

and also blind the public to their
