One of this would be over \$12,
One of the average of Maniteba during the erations for the removal of the cancers.

Dr. O'Sullivan lived only a short time after the operation, Mr. Condon expired three provinces would be over \$12.000,000. This would be ample to supply the home demand for thirty millons of inhabitants and to satisfy the present need of Great Britain three times over. In this estimate no account is taken of Eastern Canada.

Dr. Saunders' conviction, therefore, based upon a sound judgment of the country's possibilities, is that in the country's possibilities, is that in the early future we will produce grain port.

Mr. Powe had his home and savings, \$22,000 in all, transferred to her, so she would have no trouble in getting his estate should he die first. Mrs. Powe died a year ago, her estate was promptly claimed by her relatives and the Probate Court sustained their claim. Mr. Powe has brought a suit for equitable relief, which is returnable to the Superior Court next Tuesday. the Superior Court next Tuesday.
