FORMER OFFICIAL RESTORED TO OFFICE
 Postmaster Boudreau Removed on Advent of Liberal Government Resumes Old Position.

Moncton, June 10.—After the grisly reacher post in 1898, one of the heads that were removed was that of Mr. Gilbert Boudreau, postmaster at Sheela's Bridge, Westmorland county. Mr. Boudreau is the leading merchant in the district and his store is most centrally situated, but he was not anxious to mix with some of the local grift politicians and the office was given to another. Now Mr. Boudreau has been restored to his old position and the change is not only in the direction of doing justice but gives general satisfaction. Mr. Boudreau resumed his duties June 1st.

News has been received here of the serious illness at Portland, Oregon of Rev. W. B. Hines, a former pastor of the Moncton First Baptist church. Mr. Hines is pastor of the White Temple at Portland, but will be compelled to give up the greater portion of his work. His trouble is hardening of the veins and his medical advisers some time ago warned him against overwork.

Rev. Stephen T. Teed, a retired Methodist clergyman who has resided in Moncton for a good many years, lies at the point of death at his home on Wesley street. Mr. Teed will be 87 years of age tomorrow and though quite conscious, there is a gradual failure of his physical powers and he is scarcely able to articulate.

Supporters of Dr. Price, the city candidate in support of the Flemish government, are now getting in some of the work on the lists and the last week of the campaign promises to be a very busy one. Dr. Price is steadily gaining in popularity and any little difference that may have existed in regard to the nominating convention are being forgotten in the general desire to send to Frederick a supporter of the best government. New Brunswick has ever had. As showing how the candidates stand it may be noted that the pictures were thrown on the canvas before a large crowd at the Empress Theatre on Saturday night. Dr. Price came first and there was a tumult of applause. When Mr. Robinson's picture appeared there was scarcely a ripple, just a faint hand clap by three or four persons. As no nomination had been given that the pictures were to be shown the demonstration for Dr. Price was purely spontaneous. His election is now generally conceded though the liberals had a city majority in the last election of something like 500.

Ayer, the head of the violin department of that institution, aiming to give a sample of the work done at Mt. Allison. The programme includes the violin, cello, piano and vocal work of these young people, who are highly appreciated.

CURED OF THIS HORRIBLE DISEASE
 Edmonton Girl Saved By "Fruit-a-Lives"

Edmonton, Alta., Nov. 20th, 1911. "I had been a sufferer from babyhood with that terrible complaint, Constipation. I have been treated by physicians and have taken every medicine that I heard of, but without the slightest benefit. I concluded that there was no cure for this horrible disease. Finally, I read of "Fruit-a-Lives" and decided to try them, and the effect was marvellous. The first box gave me great relief, and after I used a few boxes, I found that all my dealers were successful. "Fruit-a-Lives" is the only medicine that ever did me any good for Chronic Constipation, and I want to say to all who suffer as I did, "Try Fruit-a-Lives"—why suffer any longer when there is a perfect cure in this great fruit medicine?"

(MISS) E. A. GOODALL
 "Fruit-a-Lives" is the only remedy in the world made of fruit and the only one that will completely and absolutely cure Constipation. 50c. a box, 5 for \$2.50, trial size, 25c. per box. Write for complete list of price by Fruit-a-Lives Limited, Ottawa.

NEWSY NOTES OF WIGGINS CO.
 Popular Young's Cove Family Pleasantly Surprised—Stored Portrait Change Hands—County Assumes Prosperous Air.

Young's Cove Road, June 11.—Lake-side Home, the Wiggins Home, was the scene of a very jolly party last evening when a number of friends gathered to surprise Mrs. Thomas Wiggins, it being the occasion of her birthday anniversary. Mrs. Wiggins was quite unconscious of it all, until the guests began to arrive. Toasts, music and songs were given at intervals during the evening by Mrs. Arnold Wiggins and the other ladies. The hospitable hostess and her friends did not take their departure until after midnight, when all wished their hostess very many happy returns. Mrs. Wiggins received several handsome gifts.

A very fine illustrated portrait of Mrs. Stone Wiggins left as a bequest to the Natural History Society of New Brunswick, was presented at their annual meeting, which was held at the home of Mrs. E. Stone Wiggins, curator of the society. This portrait was painted by H. Clarke, a Canadian artist, and presented to the society by Mrs. Wiggins. The portrait shows Mrs. Wiggins in a very pleasing and natural manner. It is a fine example of the art of portraiture. The portrait is now on display at the Natural History Society's headquarters in St. John's.

SERIOUS AUTOMOBILE ACCIDENT AT AMHERST
 Albert Gallant Struck by Car and Badly Injured—Regals Defeated by Springhill in Fast Game.

Amherst, June 10.—F. G. Morehouse, who for several years has been principal of the Springhill schools, has accepted the principalship of the Amherst Academy. Mr. Morehouse although a young man, has had a most successful career as a teacher. The School Board is deserving of congratulation in securing such an efficient and enthusiastic teacher as Mr. Morehouse.

Miss Letitia Lawson daughter of R. J. Lawson of this town, who has been on an extended visit to her sister in Calgary, returned home the early part of last week. She was accompanied by H. J. Logan, K. C., who has been on an extended visit to Western Canada, is expected home to Amherst in a few days.

Robert P. Morrison, manager of the branch of the Canadian Bank of Commerce at Ellow, Sask., arrived in town on Saturday and is the guest of his brother, James Morrison, Havelock street. Mr. Morrison comes with a pleasant errand. His old friends in town extend him a glad welcome to Amherst.

Percy C. Black who has been on a business trip to Boston, returned home on Saturday. Another motor accident occurred on Saturday at the front of the post office. The streets were very busy and there was the usual large number of people crossing to and from the office. A very good one, Lawrence while driving his motor slowly down street, came in collision with the Canadian Car and Foundry company. Gallant is afflicted with deafness and evidently did not hear the repeated warnings given to him by Mr. Lawrence, who was expecting him to move to a place of safety. The motor got so close to Gallant that Mr. Lawrence did not have time to stop it before it struck him, throwing him to the street and inflicting some nasty wounds and bruising his head, his neck and his tongue and so badly cut.

Yester day he was able to get about the streets for a while with bandages about his head.
 W. B. Vail, of Stilliker & Vail, left today for Boston in company with his brother Charles E. Vail, of Wolfville. Mr. and Mrs. Lloyd Elliott and three children of Vancouver, are the guests of Mr. Elliott's sister, Mrs. W. E. Doy, at her home.

The Regals baseball team of this town went to Springhill Saturday to play the baseball team of that town. The game was a very good one and was witnessed by about 200 people. It resulted in a victory for the Springhill team by a score of 3 to 1. On the same day two games were played at Amherst between the Hamblers of this town, and the Parrsboro baseball team. The first game in the afternoon resulted in a victory for the Hamblers by a score of 16 to 2, and in the evening they also won out by a score of 12 to 2.
