CITY PAVING PROGRAMME Property Owners on Two More Streets which it is Proposed to Pave Protest Against Paying Past Cost — School Board's Action Comes in for Some Criticism.

At a meeting of the common county steps were taken to sub-divide and sell cill yesterday two more petitions against the street paying programme were received, and the School Board was criticized for presenting a bill to the logislature to allow it to increase its assessment by \$25,000. Other matters of a routine nature were dealt with. His Worship said 4 p. c, bonds were out of date.

Com. Agar was authorized to purchase the following instruments and articles it is consistent and controlled the logislature to allow it to increase its assessment by \$25,000. Other matters of a routine nature were dealt with. His Worship said 4 p. c, bonds were out of date.

Com. Agar was authorized to purchase the following instruments and articles, in connection with the North End street line survey, namely:

1 Transit; 1 Tripod; 4 iron ranging poles; 1 chain tape, 200 feet in length 1 tension handle; 1 tape repair outhit; 1 dumpy level; 10 transit books—total cost not to exceed \$340.

Com. Agar was also authorized to purchase a motor truck, not exceeding 4 tous, for his department, payment to be provided for by yearly assessment for five years.

Com. Wismore was authorized to dispose of the buildings at Spruce Lake owned by the city, known as the Bicycle Club and Adams' camp, be Bicycle Club and Adams' camp, Sewerage Contracts.

Com. Wismore recommended that A First Class Seat.

A petition was received from residents of Protection street, Sand Point complaining that the shunting of trains had made the condition of the street disagreeable, and protesting against allowing the C. P. R. to build a grain conveyor from the new elevator, as that would destroy the value of their properties.

Com. Wigmore moved that the matter be referred to the Commissioners of Harbor and Public Works.

Com. McLellan called attention to an assurance made by the C. P. R. that it had agreed to make good any nigury to the land. The company would not get a permit to construct the conveyor until it showed that it had acquired all the land that would be necessary.

The department is to do the work without charge to the city.

Fear Property Depreciation.

A petition was received from resistance with theft was remanded. Three sailors from the Empress of Britain charged with theft were sentenced to different periods in jail.

PROVINCIAL.

Rapid City, S. D., March 17.—A. N., Perry, his wife, three daughters and a son were frozen to death on Satur-day when attempting to reach their ranch during a severe snowstorm.

The motion to refer the matter was adopted.

Proteste Against Paving Plan.

Petitions were received protesting against the pavement of Charlotte street from King's square to Queen's against the pavement of Charlotte street from King's square to Queen's against the pavement of Charlotte street from Materillo to to Brussels street.

The mayor remarked that it looked as if the paving programme would in view of conditions which had arise en. The achool board was asking the legislature to authorize it to expend an additional \$25,000. This represented the interest on that a million at the period of the common street on the Loch Chomond extension was about \$25,000. If the school board so the rest of the loch Chomond extension was about \$25,000. If the school board so the rest of the loch Chomond extension was about \$25,000. If the school board so the proper cent.

Thinks Teachers Fare Fairly Well Com. Agar said the school board was dealing liberally with the fund of the city. He though the school teachers were getting fair salaries as compared with other people in other walks of life. He though to more more school would justify them in going to the legislature next year and setting the screen pave a street in England cities did not chake over a street till it was improvement upon the abutters pay half the cost the regretied some street had objected, as it would increase the council deemed it advisable to pave a street till it was improved and provided with sewers, etc., at property owners expense.
