Advices The Use of "FRUIT-TIVES," The Famous Fruit Medicine.

MR. ROSENBERG.  
589 Cagrain St., Montreal.  
April 20th, 1915.

In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as "Fruit-tives." I was a sufferer from these complaints for five years, and my sedentary occupation, music, brought about a kind of intestinal paralysis with nasty headaches, belching gas, drowsiness after eating, and pain in the back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try "Fruit-tives," and now for six months I have been entirely well.

I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try "Fruit-tives," and you will be agreeably surprised at the great benefit you will receive.

## APOHAQUI

Apoahqui, July 26.—The annual festival of the different churches have been taking place this week and are social functions which are anticipated and well-received with much pleasure.

The mammoth festival of the Methodist circuit, which is always held of the spacious and pretty grounds of the parsonage, rather takes the form of a picnic as well, and is attended by a vast crowd, and at this event the Methodist people of Apoahqui, Head of Millstream, Mount Hebron, Mount Middleton, Mountaine and Berwick all work in unison.

On Wednesday, 25th, this enjoyable event took place, when the ideal weather and memories of the pleasure it afforded in preceding years prompted many to attend and as the time for supper drew nigh, all roads leading to the parsonage were thickly dotted with motor cars and carriages.

Large tables were erected on the front lawn, where the lady convenors and their assistants, who were prompt in service to their guests. At one corner of the grounds ice cream booths and a miniature confectionery and fruit store were installed, where from distasteful and cooling drinks were dispensed with pleasure and profit.

Much favorable comment was forthcoming as to the efficient organization and the capable manner in which the ladies managed the affair, their labors being repaid by the sum of \$148.00, which was taken in the sum of \$80.00, which was graciously given by Rev. and Mrs. L. H. Jewett, who received the friends and threw open their home for their comfort, while the vendors were equipped with comfortable seats to accommodate a large number.

The ladies of the Anglican church and holding their annual strawberry festival in the Public Hall on Friday, 27th, which is always greatly patronized and those who attend will doubtless be well repaid.

On Monday evening an ice cream and strawberry festival, arranged by the Lower Millstream Baptist ladies, was a decided success, both socially and financially.

An autograph quilt which netted \$60 during its construction, was sold for \$7, and a cushion which had been tastefully worked, brought \$3. These, with a few other fancy articles and the proceeds of the refreshments aggregated brought in the sum of \$80.00, which will completely liquidate the trivial debt which was against their handsome and up-to-date church.

The local Red Cross Aid Society is indebted to the residents of Belleisle Creek for \$5.00, received per Mrs. E. Ramsey, being the proceeds from the Confessionary anniversary in that place, and for which they are very grateful.
