### MOVEMENT TO ADD FRUIT MEN

Special Committee Will Be  
Appointed by Food Con-  
troller—Short Crop in On-  
tario.

Ottawa, Aug. 21.—A special fruit and vegetable committee is to be appointed by the food controller. Its first business will be to co-operate with the distributing bureau of the food controller's office to insure proper distribution of this year's apple crop.

It is clearly apparent from reports that the Ontario crop, and a large section of that of the Province of Quebec, will not be more than fifteen per cent. normal, while crops in the Maritime Provinces and British Columbia promise to be average.

Owing to the apple embargo by the British government the British market will be cut off this year, and the Maritime Provinces must find their market in central Canada. The special committee is to be composed of experienced business men, with a practical knowledge of fruit conditions and of marketing. It is the intention of the food controller that while the producer shall be given a reasonable price for fruit, it will be forwarded to the consumer at a minimum cost.

Mr. C. W. Baxter, chief fruit inspector, of the fruit branch, Ottawa, will leave on Tuesday for Nova Scotia to get in touch with the growers and dealers in that province.

#### CHIPMAN YOUNG LADY

Miss Rosilla Darrah Becomes  
Bride of Bert Kirkpatrick at  
Presbyterian Church.

Chipman Aug. 21.—A very pretty wedding was solemnized in the Presbyterian church at Chipman on Wednesday Aug. 15, when Rosilla, daughter of Mr. and Mrs. Alexander Darrah, became the bride of Bert Kirkpatrick of St. John. The church was prettily decorated with flowers and plants, by friends of the bride.

Rev. E. E. Mowatt pastor of the church, was the officiating minister, the wedding march being rendered by Miss Stella Kirkpatrick sister of the groom.

Miss Lucilla Darrah was maid of honor while the groom was supported by Mr. Roy Kirkpatrick.

After the marriage ceremony the happy couple motored to the home of the bride's parents where a reception was held from 5 p. m. until 9.

About one hundred and fifty guests assembled and the presents testified to the popularity of the young people and the good will of the guests.

The rooms present to the bride was a gold and pearl pendant and chain, to the maid of honor a ring. The young couple, accompanied by Mr. and Mrs. Roy Kirkpatrick, returned to St. John, their future home, on Thursday Aug. 16, for the wedding reception at the home of Mr. and Mrs. Woodcock. They will be at home to their friends after September 1st, in Fairville, St. John. All good wishes attend them.

King Powder Mills in Ohio  
Blown Up—May Be Gov-  
ernment Investigation.

Cincinnati, Aug. 21.—Three explo-  
sions occurred yesterday at the King  
Mills Powder Company's plant at  
Kings Mills, Ohio.

The management of the King Mills  
Co. announced that four men had been  
killed and two injured. It was also  
stated that four tons of blasting pow-  
der had let go in one of the small  
buildings and that the force of this  
explosion caused the powder in two  
other buildings to explode. It was  
stated that an investigation was in  
progress and that if the management  
could not satisfy itself as to the cause  
of the explosion it was the intention to  
ask the government to conduct an in-  
vestigation.

### AUSTRIAN EMPRESS DID NOT ADDRESS THE POPE

Cardinal Gasparri Expresses  
Hope That Belligerents Will  
Give Approval to Four Fun-  
damental Principles.

Rome, Aug. 21.—Cardinal Gasparri  
expressed to the British minister the  
hope that the belligerents would give  
their approval to four fundamental  
principles in the Papal note, similar  
ideas already having been set forth by  
ministers of Great Britain, Austria,  
France and Austria, while President  
Wilson's peace message, in the opinion  
of the cardinal, implied the same.  
The whole of the Pope's programme.  
It having been asserted in the press  
that the Pope was urged to work for  
peace by Empress Zita, of Austria-  
Hungary, the Vatican states that the  
Pontiff has no personal acquaintance  
with the Empress, and has never re-  
ceived any communication from her or  
any subject. (It has been reported on  
several occasions that the Austrian  
Empress, who was born in the Italian  
province of Lucca, has been working  
assiduously for peace.)
