The reason, work no the Hadson Bay tartier and the composite of this reason, work on the Hadson Bay tartier and the course, because there were several the course, because there were several realways in the West that should be would use it for that should be would use it for that ame and fame of a real person and may be hadson Bay line. The Western hed, approaches rather a mane and many this apparent paradox, when the spirit of an age, an event ters by the spirit of an age, an event person, without which the actual reason, with out which the actual reason, without which the actual reason, without which the actual reason, without which the actual reason with the solutions in the Commons that financial reason that financial reason that financial ready and reason, with the there are solved to the same question it is probable that the the advantage of this same question it is probable that the advantage of this same question it is probable that

ody the spirit of an age, an eveat person, without which the actual ative is void of meaning. The reparations demanded of Germany are far too serious a question to admit of light treatment, of farcical delays, and the world has grown tired to admit of light treatment, of farcical delays, and the world has grown tired to that country's eagerness for lime to that country's eagerness for lime that the power of an endless life is obtained the power of an endless life is obvious, for, in subordinating the question of payment to that Upper Silesia, the Germans know they are asking the impossible. All their contry. Before long these lines to country. Before long these lines with a regarded at presents with a regarded at present that passes will see an increasing development. Every year that passes will see an increasing development asking the impossible. All their contry.

EXILE OF ERIN.

There came to the beach a poor exile of Erim;
The dew on his thin robe was heavy and chill;
For his country he signed, when at twislight repairing
To wander alone by the wind beaten hill.
But the day star attracted his eye's sad devotion
For it rose o'er his own native his one once, in the fire of his youthful emotion,
He sang the bold antheses of Erin go bragh.

"Sad is my fate!" said the he broken stranger; "The wild deer and wolf to a co-can flee, But I have no refuge from famine dancer:

danger;
A home and a country remain not to me.

Never again in the green,summy bowers Where my forefathers fived shall i spend the sweet hours.

Or cover my heart with the wild woven flowers,
And strike to the numbers of Erin go bragh!
