

He taught 170 days but he did not open the school until the 8th of Dec that year. For the year ended 30th Sept 87 he taught 214 days. and for the year ended 30th Sept 88 he taught 205 days.

In March 24 last he lost 5 days which are explained thus - viz - school room used one day for the purpose of electing Council. Builders repairing chimney for two days

2  
1  
1 School closed one day for want of wood & one day was so cold & stormy that only one child came & the school was closed. He lost two days in June

2  
1 24 last which are thus explained viz - school used one day for election of chf. and closed one day it being "Arbom Day" and the school was

9 closed 9 days in Sept 24 last as the building was used by the Agent in making the Anniversary Party.

This makes a total of 16 days lost which are explained in the three Des., and 3 days are not explained. Mr Davis asks payt for the 9 days (\$15.<sup>48</sup>) during which the school was closed in making Treaty payts & I think he is entitled thereto
