

## Notes.

**What a grand "Century Roll Call"** we had. The people responded nobly. \$115 were given at the service, and more is coming in. We believe God approves this free will offering. Let us make this "Roll Call" the beginning of an answer at every service this year. A grand year is opening up before us. The prospects are most encouraging. The people come up to the House of the Lord as never before. O that we may depend more upon God for a blessing. Let ACTIVITY be the watchword for this year, but let it be activity which the Holy Spirit can direct. Vain will be our efforts if He does not approve. God's House ought to be a House of Prayer and praise and not of merchandise.

**With the help of the Lord**, we are going to make this closing year of the Nineteenth Century a memorable one in the history of our Church. Is it too much to ask God for 100 souls this year. We must make it a century. Ah, no, we must let God use us to make it that many. Now all together for personal work. Stand by every service of the Church. Talk up the Church. Invite people to come. Call upon strangers and those who seem to have little regard for what church membership means. All together let us pull. Let every note of discord be hushed, and forgetting the past let us push forward. God says forward, and dare any one keep his children back. Victory is ahead of us. Let us seize it. O that this year may be a year of the right hand of the most high.

**We are pleased** to announce the organization of a vigorous Home Department in our Sunday School, with Bro. C. B. Hoben superintendent. The Department will be a source of strength to the Church.
