Gentlemen

I have carefully examined the sample of your  
hand made sour mash Whiskey "Crop 1874" sent me by you.  
I now report it to be free from fusel oil, and all other such noxious  
compounds injurious to health; and that it is in every respect  
a sample of a choice spirit, and of such a nature as I can  
recommend for use medicinally when an alcoholic stimulant  
is indicated.

As I give you permission to publish this certificate, I reserve  
to myself the right to analyze and report upon samples  
from time to time purchased by myself for comparison with  
standard samples which I retain.

I am Gentlemen

Yours truly

G. P. Woodward M.D. M.R.C.S.  
Prof. of Practical Chemistry McGill College

Just received, an importation of the above Whiskey, Spring of 1878, and shall be  
glad to receive orders for it in either Cases or Wood.
