You Need this Book

Bound in Oilcloth: 5 x 7 1/2 inches

After you use it a while, you'll wonder how you ever got along without it. Everything is so simple and clear and practical it's just like having some wise old cook at your elbow. And with so many dishes to choose from, both old and new, there's no need of cooking the same old things time after time.

Even if you have a fairly good one already, you need the Blue Ribbon Cook Book.

It is specially prepared for everyday use in Western homes, and is practical and up-to-date. For instance, all ingredients are given by measure instead of weight, so you do not need scales.

Not a cheap advertising booklet, but a complete, reliable cook book, strongly bound in clean, white, washable oilcloth. And here's your chance to get it
