

RE-DISCOVER THE ROCKIES

The Transcontinental Line of the Canadian Northern Railway traverses a section of the Canadian Rockies of exceptional grandeur, possessing characteristics absolutely distinct from those of older and more Southerly Routes.

Those who are travelling to Vancouver, whether on Business or for Pleasure, will find themselves well repaid for their patronage of our Line by the opportunity of traversing a new section of Canada, and of recovering that thrill aroused by their first glimpse of towering snow-capped peaks and rugged canyons.

For literature and information, apply to General Passenger Dept., 68 King St. E., Toronto, Ont.; 226 St. James St., Montreal, Que.; or Union Station, Winnipeg, Man.

Electric Service

Means comfort, convenience, economy, and safety.

The home that is completely equipped with electrical devices is a happy one.

All the drudgery of housekeeping is eliminated by electricity.

You can wash, iron, sew, sweep, cook, keep cool in summer and warm in winter, by means of electrical apparatus designed especially to relieve you of unnecessary and fatiguing labor.

At our showrooms all these devices are ready for your inspection. Competent demonstrators will operate and explain them for you.

3rd ANNOUNCEMENT

A TRIP BY THE ROYAL MAIL

A trip by the "Royal Mail" from Halifax to Demerara and return to St. John occupies 40 days.

On the outward voyage you have a day at Bermuda, Barbados and Trinidad, and you have a part of a day at Antigua, Dominica, Monserratt, St. Lucia, St. Vincent and Grenada. At Demerara the ship stays for four days, and on the homeward voyage you have at least as much time at each of the places mentioned as you had on the outward voyage. Please observe that there is never a day for over half the trip when you will not be on shore a portion of the time. Is there any sea voyage in the world that is just like this one? It is hard to believe that there is. Certainly there is none so enjoyable at the price. Ask your railway ticket agent for a booklet, or send us your address and one will be forwarded.

WHITE LABEL ALE

THE production of White Label Ale, through every stage—from the raw barley to the careful bottling of our own bottlers—has been developed into an exact science.

And it is only necessary to compare it with ordinary ale to realize the real deliciousness of White Label Ale—the tastiest and cleanest of them all.

Prove our claim by comparison.
