

Belgians are Starving While Canadians Have Plenty

Our Heroic Allies Deserve More Help than We are Giving

An accident of geography, and the fortunes of war, have subjected Belgium to the cold-blooded, calculated cruelty and attempted starvation of the German conquerors—while we in Canada, secure from danger, are making money out of the War.

Legitimate though our profits are, we surely owe a substantial share of them to our Allies, who are destitute because they dared stand up for their rights and defy the enemy.

We have given much—but barely enough to help keep the Belgians alive. More of them every week are calling for help, as their own resources are exhausted, and every one of the millions should have something more than the three slices of bread and the pint of soup which is all the Relief Commission can supply out of present contributions

If you have been helping, do more if you can till the war is over and Belgium is free. If you have not given yet, will you make up for lost time with a substantial contribution? Better still, will you give, every month, enough to feed one or more Belgian families, at the rate of \$2.50 each per month?

Whatever you can afford to give, send your subscription weekly, monthly, or in one lump sum to Local or Provincial Committees, or

National Trust Appointments

Sometimes we are advised by our client that we have been appointed his executor. Sometimes we do not know of the appointment until the death of the testator who made it.

Either course permits effective service,—but not so effective as follows when clients discuss with us in advance the best methods of securing the results they desire in the future disposal of their property.

Electric Service

Means comfort, convenience, economy, and safety. The home that is completely equipped with electrical devices is a happy one.

All the drudgery of housekeeping is eliminated by electricity.

You can wash, iron, sew, sweep, cook, keep cool in summer and warm in winter, by means of electrical apparatus designed especially to relieve you of unnecessary and fatiguing labor.

At our showrooms all these devices are ready for your inspection. Competent demonstrators will operate and explain them for you.
