"Salvador"

requires no present introduction. From the time it was ORIGINALLY put on the market it easily led, so far as a Malt beverage was concerned, in the estimation of the connoisseurs. This lead it still holds, by reason of the fact that the utmost care is exercised in the selection of the several ingredients that enter into

its makeup, namely, the CHOICEST BARLEY, the CHOICEST HOPS, and FILTERED WATER—the utmost cleanliness being observed—all departments being under the superintendence of the ONLY Brewmaster who comes from the original "Salvador" Brewery, Munich, Germany, Mr. Lothar Reinhardt, and so we say

What About Your Coal Supply

for the next month?

Your furnace will require attention for some time yet, and in order to get good results you have got to burn good fuel. We know our coal has more heat units to the ton than any other coal on the market, so you'd better round off the season by leaving your order with us.
