As yet there remains another  
picture of which I must tell you.  
It is the first and strongly enough  
it is in many respects not unlike  
the last. — the one, that is, which  
shall have been completed  
when we say "goodbye" tonight.

Many of you may not remember  
it but to me it will always  
remain one of the dearest  
in the entire ~~group~~ <sup>group</sup>. ~~It was~~  
It was tinted originally in  
~~the~~ autumnal hues, the winters  
storms, and the showers  
of Spring have already played  
over the surface of it
