and this with his own literary materials on such matters.
I have hesitated much before putting the matter before you.

I have the greatest wish for Canada to see her part
"within the circle of our great National Empire" & not as
it would seem, out of that circle & into another one.
& it is this that prompts me to address you as the
leader of the Greek Empire building party, the Conservatives.

My friend Dr. Lorne Finner of Toronto is engaged
upon a classification of their recently discovered records
of literary & historical subjects, & are at the present in
his care.

Should you think well of my suggestion, I think
a way might be opened for you to review in "Toronto",
some of these records. For Canada & the Empire's best
welfare. If so I shall be glad to hear from
you at your convenience -

I have the honor to be Sir

Your Obedient Servant

William Kirby
