Ottawa, August 24, 1914.

Sir,-

In reply to your letter dated August 12th, I beg to say that the Department has no objection to the store-room adjoining the pupils dining-room being used as the staff-dining-room. The Department will authorize the placing of a window in the partition so as to facilitate the overseeing of the children. Arrangements will also be made to provide a special toilet-room for the staff on the first floor of the building as suggested in your letter.

The Department will give its immediate attention to the other items of your request regarding the changing of the boiler and placing of a stand pipe for water in the basement of the building.

Your obedient servant,

Asst. Deputy and Secretary.

W. A. Hendry, Esq.,

Principal, Indian Boarding School,
