Ottawa, March 31, 1915.

Rev. Sir,

Enclosed, herewith please find accounts in duplicate of the Standard Plumbing & Heating Company, of Windsor, for work said to be done by them in the Fort Frances Indian boarding school, the accounts being forwarded to the Department by you for payment. The work charged for has been done without any authority from this Department, or their having been consulted or having any knowledge of its necessity, and therefore, cannot approve of it.

As the work has undoubtedly been done by your instructions and carried out according to your orders, it will be necessary for the school to pay the bill.

The Standard Plumbing & Heating Co. will be notified that these accounts have been returned to you and that they must look to you for payment as the Department will not assume any responsibility for this work or payment thereof.

Your obedient servant,

L. A. ...
Asst. Deputy and Secretary.

Rev. P. H. ... O.V.I.,

Principal, Ft. Frances Bdg. School,
