January 22, 1920.

Dear Sir,-  
(Incls.)

I have your letter of the 12th instant tendering your resignation of the position of Indian Agent for the Indians in and around Windsor, as you will be leaving Windsor sometime in February.

In reply I beg to say that, while regretting your resignation, the same is accepted pending the appointment of a successor.

I am inclosing herewith a poster which you will kindly have the Windsor postmaster place in a conspicuous place in his post office until the 31st instant, when it is to be returned by him to me with any applications received on the inclosed application forms which are to be handed by him to any applicants therefor. It would be advisable for you personally to see that the return of the poster is not delayed beyond the above mentioned date. Possibly you may be in a position to direct the attention of some suitable candidate to the poster.

Yours truly,

*[Signature]*  
Deputy Superintendent General.

L.W.W. Slack, Esq.,  
Indian Agent,  
Windsor, N.S.
