Here the United Nations gave concrete expression to the ideal placed before the world by President Roosevelt -- in his Four Freedoms:

\* 1. The first is freedom of speech and expression -- everywhere in the world.

2. The second is freedom of every man to worship God in his own way -- everywhere in the world.

3. The third is freedom from want -- which, translated into world terms, means economic understandings which will secure to every nation a healthy peace time life for its inhabitants -- everywhere in the world.
