

<u>Applicant</u>	<u>Station Location</u>	<u>Request</u>
J.F. Peterson (Blenheim, Ont.)	St. Thomas, Ont.	1000 watts on 680 kc with directional antenna.

Reason: It is the opinion of the Board that the St. Thomas area is adequately served by radio and that there is no need at the present time, at least, for another station. It is further recommended that no application for this area be considered for at least one year.

K. H. Wisby	Niagara Falls, Ont.	100 watts on 1230 kc.
-------------	---------------------	-----------------------

Reason: It has been recommended that the application of Mr. B. H. Bedford for a station in Niagara Falls, Ont., be granted. The area cannot support more than one station.

F.H. Leslie Ltd.	Niagara Falls, Ont.	100 watts on 1230 kc.
------------------	---------------------	-----------------------

Reason: It has been recommended that the application of Mr. B. H. Bedford for a station in Niagara Falls, Ont., be granted. The area cannot support more than one station.

A. Ross C.L. Leveque J.A. Manning	Barrie, Ont.	250 watts on 1340 kc.
---	--------------	-----------------------

Reason: It is the opinion of the Board that the applicants do not have sufficient capital to undertake the establishment of a station.

D.S. Galbraith W.H.J. Thompson	Barrie, Ont.	250 watts on 1230 kc.
-----------------------------------	--------------	-----------------------

Reason: It is the opinion of the Board that the applicants do not have sufficient capital to undertake the establishment of a station.

D.F. Mooney (Halifax, N.S.)	Truro, N.S.	250-watt station.
--------------------------------	-------------	-------------------

Reason: It is the opinion of the Board that the area cannot support a station.

A.J. Mason (Mayor of Springhill, N.S.)	Truro, N.S. or Springhill, N.S.	250-watt or 1000-watt station.
--	---------------------------------------	-----------------------------------

Reason: It is the opinion of the Board that the area cannot support a station.

D.D. Anderson) D.M. MacLennan) A.J.W. MacDonald) N.W. MacDonald)	Sydney, N.S.	1000 watts or 5000 watts on 930 kc with direc- tional antenna.
---	--------------	--

Reason: The area is already served and the CBC is formulating plans to improve CBC coverage in the area.
