

tribution. These facts secured by the Bureau, as the result of the investigation, should be published in a form approved by the Minister of Labour, or the Minister of the Department taking it up.

AND WHEREAS we have little, if any, authoritative information concerning such questions as :

1. Infant Mortality.
2. The birth rate and records of births.
3. Illegitimacy.
4. Children's Institutions.
5. Child Immigration.
6. Child Desertion.
7. Child Labour.
8. Dangerous Occupations.
9. Accidents and Diseases of Children.
10. Children's Courts.
11. Children's Play Grounds.
12. Mothers' Pensions.
13. Mental Defectives.
14. Race Degeneracy.
15. Health and Training of the Child, etc.

AND WHEREAS the conservation of child life as an asset by the State is at this time one of extreme urgency and a War Problem ;

BE IT RESOLVED : That in the opinion of the women here assembled in conference, a Children's Bureau should be established by the Federal Government to enquire into these matters, to tabulate the results of these enquiries and to have these readily available for use.

Mrs. COLIN CAMPBELL asked for the endorsement of the meeting for this resolution, which was given. *May 1918*

MRS. SEXTON : (Reads) Moved by MRS. H. G. HUBBELL, seconded by MRS. FLETCHER BOWSER : Regarding the Provincial Chapters, page 22, Article VII., Section 11, second line, "That 'twenty' be changed to 'twenty-five.'"—Amendment carried.
