A. McArthyr's family at Tupperville are quarantined for small-pox. It is reported that there are some bad cases,

The knowledge of some people is about as useful as buried treasures.

Too much haste has been known to ruin more than one good cause.

WHAT IS THERE IN IT?

Scott's Emulsion is a careful blend of the purest cod liver oil, hypophosphites of lime and soda, glycerine and a dash of flavoring. The combination of these valuable ingredients emulsified as in Scott's Emulsion represents the greatest remedy yet discovered for weak lungs, poor blood, low vitality, child weakness and all wasting

diseases. We'll send you a sample, free SCOTT & BOWNE, Chemists, Toronto, Oct.

DON'TS FOR BACHELORS.

Don't sew up your pockets while try-

Buy a thimble that fits. Don't push your needle through with your teeth. Don't start a piece of sewing with a thread long enough to hang yourself. Don't attempt to push a No. 3 needle through a No. 10 hole. Profanity is bad

Don't be afraid of a needle. It will not stick you unless you attack the wrong end of it first. Select the proper size button before you sew it on. Don't cut the button-hole larger with a penknife so as to

make it fit the button And don't-oh, don't-leave the needle in your chair when you are through sewing. You may discover it unexpe

Racing Ponies In India.

Not much more enviable than the lot of the unfortunate man who is reported to have grown shorter is that of racing ponies in India, Egypt and elsewhere which are made to measure from three-quarters of an inch to a full inch lower than their natural measurements. Par ing the hoof can only be done to a certain extent. But ponies can be educatand extent. But ponies can se cucar-ed to stand with their heals apart, and if the head is tied up for some time before they are put under the standard they will stand to their best advantage. Two pounds avoirdujois per quartar inch is the regular allowance in the "scale for age class and inches."—London Pall Mail Gazette.

Felt Weak and Nervous.

Had Faint and Dizzy Spells.

These symptoms arise from a weak condition of the heart and nerves. Wherever there are sickly people with weak hearts and deranged nerves,

MILBURN'S HEART AND NERVE PILLS

will be found an effectual remedy. Through the medium of the nervou system, they impart a strengthening and restorative influence to every organ and tissue of the body.

They restore enfeebled, enervated, exhansted devitalized or overworked men and women to perfect constitutional

Miss Maggle L. Cleveland, Bayswater, N.S., tells how she was cured in the

"I was sick for the past year, and became thoroughly run down. I had faint and dizzy spells, and felt weak and servous all the time. I tried ansacrous semedies, but could get no help. I then tend in the paper about Milburn's Heart and Nerve Pills, and get a box of them. Before I had used one-half the box I began to get bettes, so got another one, and dizzy spells, and felt weak and nervous all the time. I tried numerous remedies, but could get so help. I then read in the paper about Milburn's Heart read in the paper about a library a near and Nerve Pills, and got a box of them. Before I had used one-half the box I began to get better, so got another one, and by the time the two were finished I was as well as ever,"

Keep your eye open for the Baptist social here next month.

Treated by Three Doctors Severe Attack of

Dyspepsia, Got No Relief From Medicines, But Found It At

Last In

Burdock Blood Bitters

Mrs. Frank Hutt, Morrisburg. Ont., was one of those troubled with this most common of stomach troubles. She writes:-"After being treated by three doctors, and using many advertised medicines, for a severe attack of Dyspepsin, and receiving no benefit, I gave up all hope of ever being cured. Hearing Burdock Blood Bitters as highly spoken of, I decided to got a bottle, and give it a trial. Befor: I had taken it I began to feel better and by the time I had taken the second one I was completely cured. I cannot recommend Burdock Blood Bitters too highly, and

dyspepsia to give it a trial." A Gratified Curlosity.
"I want you to take back that parrot. He uses dreadful language."
"But only in Spanish, ma'am; only in
Spanish."

would advise all sufferers frem

"Yes, I know."
"But how can madam know?"
"I studied Spanish to find out what
