CHICAGO STRIKE SETTLED.

Mobs Do a Great Deal of Damage—
Private Detective Attacked.
Chicago, Nov. 25, 2 a.m.—The
street car strike is settled.

Chicago, Nov. 25.—During the past
twelve hours strike sympathizers did
more damage to the car lines than on
any previous time since the strike was
begun. Wires were cut in many cross-
town lines and all manner of blockades
were put on the tracks in higher piles
than ever. In State street, manholes
were filled with stone debris, so that
the grip could not pass over. It took
hours to remove the obstructions.

John Cepher, twenty years old, a private
detective employed by the Chicago
City Railway Company to guard
trolley wires at Archer and Ashland
avenues, was attacked by seven men
yesterday. They beat and kicked
him, leaving him in a semi-conscious
condition. After assaulting him they
stripped him of his outer garments and
took \$6 and a revolver.

The police on the cars today were
ordered by Inspector Hunt that if com-
pelled to use their revolvers they were
to fire into the mob with the intention
of hitting somebody. There is to be
no more shooting over people's heads
the Inspector declared.

After the conference between the
Mayor and representatives of the com-
pany and the strikers last night, it was
declared that the chances of an agreement
were slight.

MURDER WILL OUT.

Mystery of a Brutal Chicago Crime
Cleared Up.

Chicago, Nov. 25.—The mystery sur-
rounding the hold-up of the cashier's
office of the Chicago City Railway last
August, during which two of the em-
ployees of the office were shot and kil-
led without warning, was cleared up
by the confession of Gustav Marks, who
was arrested last Saturday night for
the murder of Detective John Quinn, whom Marks shot down while
trying to escape arrest. Harvey Van
Dyne and Peter Niemeyer are named
by Marks as his accomplices in the
car-barn murder. According to Marks'
story, the three men went to the office
of the railway company for the purpose
of robbery. Marks says that when he
ordered the men to throw up their
hands they obeyed, but Niemeyer
burst in the window of the office and
commenced shooting. In all, \$2,430
was secured. The next day Marks and
his two companions went to Denver.
From Denver they went to Cripple
Creek, and in a week they came back
to Chicago, since when, according to
Marks' confession, they have been im-
plicated in a number of hold-ups and
shooting affrays.

TO DISCUSS MILITIA BILL.

Sir Frederick Borden Will Go to
England.

Ottawa, Nov. 25.—Sir Frederick
Borden is going to England to dis-
cuss the provisions of the proposed
militia bill with the War Office. The
bill provides for an increase of the per-
manent force by about 500 men, and
also gives the Canadian Government
power to appoint a Canadian officer and
the command of the militia of this
country. The measure was introduced
at the last session of the Dominion
Parliament, but at the request of Mr.
Chamberlain was postponed until a
conference could take place between
the Minister of Militia and the War Of-
fice in England. Before the confer-
ence could take place Mr. Chamberlain
resigned, and the matter was allowed to
stand for a time. Lately negotiations
were resumed, and Sir Frederick
Borden received a cable asking him to
come to England. It is understood
that he will try and leave about Satur-
day by the Cunard Line.

TO PROTECT THEIR DEAD.

Veterans Want to Avoid the Anato-
mist's Knife.

Toronto, Nov. 25.—A deputa-
tion representing different veter-
ans' associations of Toronto wait-
ed on Hon. J. M. Gibson, yesterday
and urged that the Government
take steps to protect the bodies of vet-
erans who die from the hands of the
medical schools for study of anatomy.
The agitation arose out of the case of
the late John Gilbert, whose body was
handed over to the School of Anatomy,
although he had relatives in town. The
deputation included the following:—
Major Collins, President of the Army
and Navy Veterans; Ex-Mayor Wm.
Brookman, John Nunn, Sergt-Major
Cox, C. E. Hobbs, J. J. Glouster,
James Constable. (Secretary Veterans
of 1860), Geo. Hatt (nephew of the late
John Gilbert), and Capt. H. P. Dray-
ton.

The Attorney-General, in his reply,
said the request might involve some
amendments to the act, and he would
give the matter careful consideration.
The veterans will also apply to the
Dominion Government to have the
old military burial ground on Strachan
avenue handed over to them as a plot
for the burial of old soldiers.

Murderers Made Their Own Terms.

Topeka, Kas., Nov. 24.—Arthur Hew-
itt, Tom Kating and Gus Parker, the
ringleaders of the mutiny at Leaven-
worth Penitentiary some time ago, in
which several guards were killed, agreed
to plead guilty of murder in the
first degree on condition that they
would not receive death sentences.
They were allowed to enter their pleas
and were sentenced to life imprisonment.

Quebec Shoe Strike.

Quebec, Nov. 24.—There is no
change in the trouble in the boot and
shoe trade, and the factories are still
closed. The manufacturers held a
meeting yesterday and intend to hold
out until the men sign the agreement
as amended at Friday's meeting. So
far no man has signed.

FREE FOODERS RALLY.

FIGHTING SPEECH BY DUKE
OF DEVONSHIRE.

Retaliation Plan Favored in Special
Cases—Mr. Chamberlain's Scheme
Would Entail Loss.

London, Nov. 25.—The Duke of
Devonshire presided and was the prin-
cipal speaker at a great demonstration
in Queen's Hall here last night, under
the auspices of the Free Food League.
It was the Duke's first public speech
since his resignation as Lord President
of the Council, and the first really im-
portant meeting of the Free Fooders
as an offset to the active propaganda
of the Tariff Reform League. The
hall was packed, and the prominent
personages were given a tremendous
reception. The Duke of Devonshire
was given a great welcome. He said
in part: "There might be difference
of opinion concerning the extent to
which retaliation might legitimately go.
Some members of the league were not
altogether opposed to some form of
protection; but they were all united
and prepared to resist to the utmost
the imposition of any protective tax-
ation on food, or protective duties
generally, on himself, claimed the
right to oppose anything in the nature
of a return to protection. Prolonged
cheering followed this statement of the
Duke.

Continuing, the speaker said that
while the fiscal policy was not yet a
party question, there was nothing
which emanated from the brain of a
single eminent statesman, would
like better than a general elec-
tion alone. The Duke said
the meeting was one of Unionists
desiring to urge on the Government the
danger of taking a certain course, and
the expediency of resisting a certain
course. It was not the policy of the
Unionist Government which was before
the country. The public liked a clear
issue, and such an issue had been placed
before them by Mr. Chamberlain,
who left the Government in order that
he might be free. Cheers and hisses
followed this mention of Mr. Chamberlain.

The Duke urged that the policy of
the Government must be more clearly
defined. At present it was indefinite.
He had tendered his resignation be-
cause he could not, as the representa-
tive of the Government in the House
of Lords, express unqualified con-
fidence in the policy of the Cabinet, con-
cerning which he had grave misgivings
and insufficient knowledge. Had he
been assured that a moderate use of
the proposed power of retaliation
would be made by the Premier he might
still be a member of the Government.
With certain limitations, however, he
said of the policy of retaliation, but it
would only make matters worse if, in
addition to the existing hostile tariffs
against themselves, they built up walls
which would prohibit and restrict the
importation of goods which for their
own advantage they took from other
nations.

The Duke said he was opposed to the
taxation of food because he thought
that such taxation was the keynote of
the entire policy to which he took ex-
ception. Should the price of food be
raised the great services of Joseph
Goschen would be given up. He recog-
nized the great services of Joseph
Goschen. He was prepared to
prove that Mr. Chamberlain's Glasgow
budget would entail a tremendous loss
to the consumer, while the working-
man's expenses would be increased ten
per cent. He believed that no greater
falloff in the price of food could be
obtained than the prohibition or restriction
of imports from abroad would increase
the profitable employment of capital
and labor at home. The country was
prospering everywhere, yet Mr. Cham-
berlain asserted that only stagnation
existed.

Alluding to Mr. Chamberlain's
charge that he (the Duke of Devon-
shire) was "a drag on the wheels of
progress," the speaker said he was con-
tent to act as a drag on the engine
which was running down grade against
all signals.

Lord Goschen moved and Lord
George Hamilton seconded the fol-
lowing resolution, which was passed by an
overwhelming vote:—
"This meeting, while prepared to
consider in a friendly spirit any mea-
sures the Government may submit to
Parliament I special cases for mitiga-
ting the effects of hostile tariffs, is of
the opinion that strenuous opposition
should be offered to any fiscal policy in-
volving the protective taxation of food,
and the establishment of a general pre-
ferential or protective system."

WOMAN HORSE-THIEF.

Chief Jarvis of Bowmanville Makes
an Arrest.

Bowmanville, Nov. 24.—An alleged
woman horse-thief was arrested here
yesterday about 7.30 o'clock by Chief Jarvis,
just about fifteen minutes after he re-
ceived the message from Napanee to be
on the look-out for such a character.

About a week ago some woman hired a
horse at a livery stable in Napanee and
drove to Colborne and then to Belleville,
and disposed of it. She went to another
livery stable and hired another horse,
saying her husband was sick and she was
going to take him for a drive. She then
went to Cobourg, where she sold the
horse and took the train to Port Hope,
but as she would not pay, she was put
off the train and walked to Bowmanville.
The prisoner registered at the Hotel
Hotel here tonight as Miss Ryan, but
in some other places the name given was
Mrs. Jones. She is about 45 years of age,
and has been in the habit of putting up
at the best hotels and of always "getting
sick" shortly after arriving and ordering
some drink, promising that her husband
would settle in the morning. Chief Jarvis
had her placed in safe keeping, and tele-
phoned Napanee. The constable from
that town will come in the morning and
take charge of her.

Mr. Ernest Reese of the 13th Regiment
Band is suing the C. P. R. for \$2,000
damages for an injury received while with
the regiment at Riverside Park, Toronto,
on Thanksgiving Day.

ROBBED BY TILL-TAPPERS.

Mrs. Jane Kirkpatrick Beaten in Her
Store.

Toronto, Nov. 25.—The little
grocery at the southeast cor-
ner of River and Oak streets
was the scene last evening of a robbery
in which the proprietress, Mrs. Jane
Kirkpatrick, an aged widow, was rob-
bed of four or five dollars and left paral-
yzed in the thieves. Three
men were concerned in the robbery.
Two remained outside while the third
went in. Mrs. Kirkpatrick heard the
noise in the shop and came out from
her living apartments only to find a
man in the act of rifling her cash draw-
er.

Sudden Death at Windsor.

Windsor, Nov. 24.—P. N. Neal,
one of the most prominent business
men of this city, dropped dead in his
bakery at 9.30 this morning. Mr.
Neal was a native of England, and
had never been ill a day in his life.
Death was due to heart failure.

The run of stock at the Western Cat-

were in excellent demand, but there were
not many first-class stock offerings. The
market had a firmer tone, and prices in
some instances are quoted higher. Hog

The run toiled 35 cars, and included 500 cat-
tle, 2,000 sheep and lambs, 600 hogs and
21 calves.

Export Cattle—The run was light, and
most of those offered were of light to

was better, and prices are quoted firmer.
There were no extra choice cattle on the

\$4.20 to \$4.40; others at \$3.75 to \$4.10, and
cows at \$3.50 to \$4.

There was a fairly good inquiry for all
kinds, however, and prices generally are
unchanged. Picked lots of butchers' beef
sold at \$4.20, good to \$4.10 to \$4.25, fair
to good \$3.80 to \$3.70, rough to com-
mon \$3.50 to \$3.60, and \$3.75 to \$3.85.

Stocks and Feeders—There is still
some demand for these cattle, and those

steady with the figures of last week.
Quotations for stockers are unchanged at
\$1.75 to \$1.85 per cwt., and for feeders \$2

for good cows. The range of prices is

\$2.75 to \$3.25. Sheep and lambs were 15¢ per cwt.
firmer at \$2.75 to \$3.25.

REVOLUTIONISTS WIN.

The City of San Domingo Said to
Have Surrendered.

Cape Haytien, Nov. 25.—Des-
patches from Puerto Plata say that the
city of San Domingo was surrendered to
the revolutionists yesterday, and
that President Wey and his Min-
isters took refuge on board a German
warship. The despatches further say
that great enthusiasm prevails through-
out the country.

INSANE MAN'S ATTACK.

Tried to Kill Secretary of the Bank
of England.

London, Nov. 25.—A murderous at-
tack with a revolver was made
on Kenneth Grahame, the Secretary
of the Bank of England, by an indi-
vidual who was afterwards found to
be insane, and who had obtained ad-
mittance to Mr. Grahame's office.
He fired four shots in rapid suc-
cession, but Mr. Grahame was not hurt.
Considerable difficulty was experi-
enced in securing the would-be assassin.
A fire hose had to be used before he
could be disarmed and taken to the
police station.

WORLD OF SPORT

FOOTBALL

THE CHAMPIONSHIP GAME.

When the teams met a week ago
and played a tie game, the consen-
sus of opinion of the rooters who
watched the contest was that Darrell
did not play the game of which she
was capable and that Sandwich would
forfeit her hold on the cup when the
teams met in Sandwich on Saturday.
Sandwich made a hippodrome of it.
They scored four goals by superior
play and at the same time held the
Darrellites safe all the way. It was
a case of the Sandwich line against
the Darrell back division from start
to finish. Brady, Williams, Dixon
and A. Beaman scored the goals.—

HIGH SCHOOL WON.

The High school boys went after
the College boys yesterday afternoon
in earnest and won by a score of
three goals to one. The weather was
a little cool but the game was fast
from the outset. It was the last of
the series for the VonGuten trophy
and the C. O. I. only made their posi-
tion at the top of the league so
much stronger.

Mr. Gibson, who has been coach-
ing the boys, has done his work ex-
ceedingly well and deserves a great
deal of credit, having developed quite
a number of coming football players.
The result of the series is:—

Chatham High school... 3 1 0
Ridgeway High school... 1 2 1
Chatham Business College... 0 1 3

joyable social events of the season.
The football club is fortunate in
having in it a number of the best
male singers in the city, and among

by Messrs. Wilson, Flowers and
Angus, the male quartet and others.
Short addresses will be given by
J. B. Rankin, O. L. Lewis, Rev. T.
