REPORT.

The Committee on Domestic Missions beg leave to submit the following report:

That they recommend to the favourable consideration of the Convention the French and Indian Missions as one object under the Domestic Missionary Boards of the Provinces.

They also recommend that brethren Chute and Rand be requested to make if possible a practice of attending from time to time the meetings of the Associations and of the Convention for the purpose of giving information and exciting interest.

Also, that a special monthly prayer meeting be instituted in the Churches to excite interest and invoke a blessing on Domestic Missionary operations, and that contributions or collections be taken at these meetings.

And further, that a new effort at giving vigour to the operations of the Union Societies for the purpose of increasing the Domestic Missionary Funds be attempted by means of the activity of collecting at the encouragement of Pastors; the labours and influence of the brethren; and especially the efforts of the Financial Secretary.

All which is respectfully submitted.

E. A. CRAWLEY,

Chairman
