

Meet Us At Your Fair

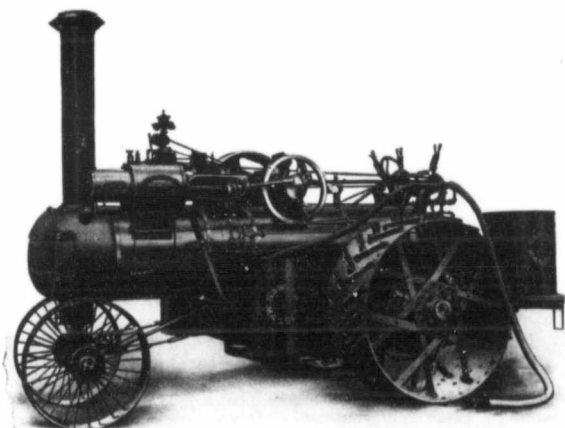

WE WILL SHOW YOU

OUR COMPLETE LINE

AT

**Winnipeg, July 12th-22nd; Brandon, July 24th-29th; Regina, Aug. 1st-12th;
Saskatoon, June 30th-4th July; Calgary, June 30th-7th July.**

If you are interested in **Plowing** and **Threshing Engines, Separators** and **Road Making Machinery**, and are not experienced—bring your expert friend along—let him examine our goods on your behalf—he will tell you why so many are now using our Machinery, and

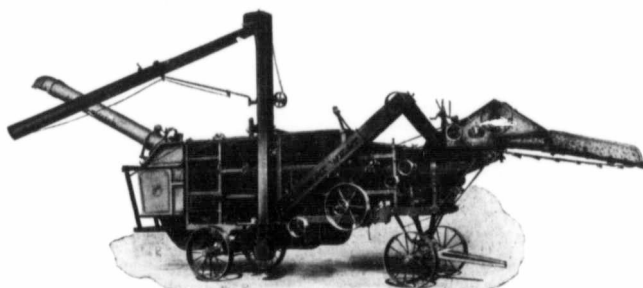

why they will have no other. If you are an experienced machine operator, the first move, after seeing our Exhibit, is to order. Take advantage of the opportunity to meet us and see our line at each of the Fairs mentioned above.

Built in 5 Sizes: 22, 25, 27, 30 and 32 h.p.

Make our tents on the Fair Grounds your Headquarters.

To get an outfit that has three-quarters of a century's experience built right into it means much to you.

You win right from the start. You are stamped at once as one of Canada's keen progressive and

up-to-date purchasers of machinery. You are known immediately as a man who can and will do the work for which he contracts for our Machines are known throughout this land to do the work for which they are intended.

"GREAT WEST" SEPARATOR. Built in 7 Sizes.

WRITE US for details, and at the same time tell us what Fair you intend visiting.

WE WANT TO MEET YOU. CALL AND GET ACQUAINTED. IT WILL BE A PEASURE TO SHOW YOU.
