

You Can Save
18 DOLLARS PER WEEK

By Using a

Ransome Mixer

The Old Way of Handling Concrete.

You Save the Labor of Two Men

as the Concrete is discharged directly into the wheelbarrows instead of on the ground, which necessitates shovelling into barrows.

Figure It Out Yourself

2 Men at \$1.50 per day for 6 days = \$18.00

By this single advantage you can save the price of the machine in a short while.

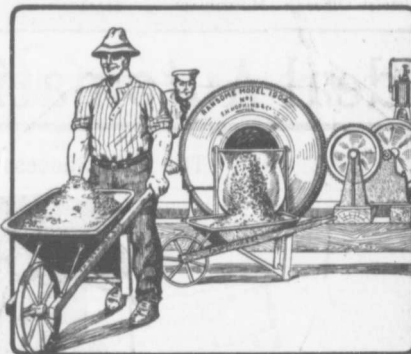

These cuts clearly show one of the great advantages to be obtained by installing a

Ransome Concrete Mixer

Mixers Supplied

With or without power
 All Capacities
 On Skids or Trucks

**Our Mixer is Guaranteed
 You Run No Risk**

The way Concrete is Handled with the most up-to-date Machine. (Note simple discharge.)
