## CANADIAN CONTRACT RECORD

## 0ur

## **Trenching Machines**

save the Contractors large sums of money, they will work in all kinds of ground and are made in two sizes.

Our No. 1 Machine will cut 24 in., 30 in. and 36 in. wide and down to 14 ft.

Our No. 2 Machine will cut 27 in., 32 in., 40 in., 48 in. and 60 in. wide and down to 20 ft.

Our Machine cuts down the cost of excavation about 50% and no Contractors should be without it.
