

## Take a Kodak with you

Take the most of every outing by taking pictures of the people and places that you are interested in. It will add to the joy of the party at the time and give the added pleasure of pictures you and your friends will always cherish.

And it is all simpler than you think. There's no dark room required by the Kodak system of photography, and every step has been made so easy that the mere beginner can readily grasp every essential.

You can do every part of the work yourself or, if you prefer, may simply press the button and let some one else "do the rest."

And picture making is not expensive now-a-days. Kodaks from five dollars up, and Brownie Cameras (they work like Kodaks) at one to twelve dollars, offer a wide variety from which to choose. The Kodak catalogue, obtainable at the dealers or by mail, tells all about them.

*If it isn't an Eastman, it isn't a Kodak.*
