 Receipts of live stock at the City and Union Stock-yards for the past week were as follows:

	City.	Union.	Total.
Cattle	287	232	519
Hogs	4,164	2,877	7,041
Sheep	4,856	5,664	10,520
Calves	5,105	3,521	8,626
Horses	360	135	495

The total receipts of live stock at the two yards for the corresponding week of 1910 were as follows:

	City.	Union.	Total.
Cattle	315	245	560
Hogs	4,282	4,133	8,415
Sheep	4,934	1,661	6,595
Calves	5,197	3,288	8,485
Horses	258	156	414

The combined receipts at the two markets show a decrease of 41 carloads, 1,374 cattle, and 4 horses; but an increase of 3,925 hogs, 141 sheep and lambs, and 81 calves, when compared with the corresponding week of 1910.

As will be seen by the above figures, there was a plentiful supply of live stock at both the Toronto markets. The quality of the bulk of the cattle, as is customary at this season of the year, was common to medium. About 40 cars of the above number could be classed as good to choice. Considering the large receipts, trade was fairly active, at the prices quoted, which were, on the whole, a little lower than the previous week for the common and medium qualities, while the good to choice ranged from 10c. to 15c. per cwt. stronger.

Exporters.—Export steers sold from \$5.75 to \$6.45, and two loads of 1,600-lb. steers of extra quality sold at \$7; bulls sold at \$4.75 to \$5.25.

E. L. Woodward bought for Swift & Co. 262 steers for London market, 1,377 lbs. each, at \$6.20, or a range of prices from \$6 to \$6.45; also 212 steers for Liverpool, 1,275 lbs. each, at \$5.75 average, or a range of \$5.60 to \$6.

Alexander McIntosh bought for Shambert & Sons 286 export steers, at \$5.85 to \$6.45, and 2 loads at \$7.

The S. & S. Company bought 71 export steers, 1,319 lbs. each, at \$5.75 to \$6 per cwt.

Butchers.—Prime picked lots of butchers' sold at \$5.80 to \$6; loads of good, \$5.50 to \$5.75; medium, \$5.15 to \$5.45; common, \$4 to \$5.15; bulls, \$3.15 to \$5; cows, \$3 to \$5.25; canners, \$1.50 to \$2.

Stockers and Feeders.—The demand for stockers and feeders has not been as great as was expected, and prices have remained about steady, as follows: Feeding steers, 950 to 1,050 and 1,100 lbs., sold at \$4.50 to \$5, and in a few, but

very few instances, \$5.15 to \$5.25 was paid for steers that could be classed as short-keep feeders; steers 800 to 900 lbs., sold at \$4.25 to \$4.50; stockers, 500 lbs. up to 750 lbs., sold from \$3.50 to \$4.25, according to quality.

Milkers and Springers.—The demand for milkers and springers of good to choice quality was the best in several months, and prices ranged from \$60 to \$85 each, with a few at \$90 each; common and medium cows sold at \$40 to \$55 each.

Veal Calves.—Receipts were only moderate, and prices ranged from \$4 to \$8, with a very few at \$8.50.

Sheep and Lambs.—Receipts were large, and prices ruled about steady, as follows: Ewes, \$3.50 to \$4; rams, \$3 per cwt.; lambs, \$5.25 to \$5.65 per cwt.

Hogs.—Selects, fed and watered at the market, sold at \$6.15 to \$6.25, and \$5.75 to \$5.90 for hogs f. o. b. cars at country points.

Montreal.

Live Stock.—Exports of live stock from Montreal for the week ending October 21st, were only 432 head. There were liberal offerings of rough cattle on the local market, and fairly choice stock was not very plentiful, and demand was very fair. Some very choice steers sold at 6c. and a fraction less, this being ½c. less than a few weeks ago. Ranchers sold at an average of 5½c. per lb. for good, and down to 4c. for less desirable. Some choice steers ranged from 5½c. to 5½c.; good sold at 5c.; medium at 4½c. to 5c., and common down to 4c. Some canning stock sold at 3c. and a fraction less. Supplies of sheep increased, and prices eased off to 3½c. and 3½c. per lb. lambs being steady, at 5c. to 5½c. per lb. Grass-fed calves brought 3c. to 3½c. per lb., and others \$4 to \$10 each. Hogs were again weaker, selling at 6c. to 6½c. per lb. for selects, weighed off cars.

Horses.—The market continued very dull for horses. Supplies light. Dealers look for some improvement as soon as the cold weather sets in. Prices continue steady, as follows: Heavy draft horses, weighing from 1,500 to 1,700 lbs., \$300 to \$350; light draft, 1,400 to 1,500 lbs., \$225 to \$300; light horses, 1,000 to 1,100 lbs., \$125 to \$200; broken-down animals, \$50 to \$100, and choice carriage and saddle animals, \$350 to \$500 each.

Dressed Hogs.—Owing to the lower prices for live hogs, there was a decline in dressed. Fresh-killed, abattoir-dressed hogs sold at 8½c. to 8½c. per lb.

Potatoes.—There is an impression that the market for potatoes will be high this winter. Meantime, Green Mountains continue to cost \$1.05 per 90 lbs., carloads, on track, Montreal; when bagged, they are about 3c. more. These are being sold, delivered to grocers, at \$1.15 per bag of 90 lbs., in loads, and 5c. more in five-bag lots.

Eggs.—Although the local market held about the same as week before last, there was talk of advancing the price 1c. per dozen here, and some have already asked the advance. Some were sold, it is said, at 23c. to 24c. for No. 1 candled, and 27c. to 28c. for selects. New-laid stock quoted at 34c. to 35c.

Honey.—Market steady, at 11c. to 12c. per lb. for white clover comb, and 7c. to 8c. for extracted; dark comb, 8c. to 10c. per lb.; extracted, 6c. to 7c. per lb.

Butter.—Dealers paid a fraction more in the country for finest creamery, being as high as 27½c. per lb. There was a move on foot last week to advance the price of creamery here. However, quotations still range from 28c. to 29c., and purchases could be made at this range. Exports to England this season have reached 134,000 packages, or about five times as much as for the corresponding period of last year.

Cheese.—Exports keep up well, being 1,572,000 boxes, or within 30,000 of last year's figures. Prices steady, at 13½c. to 14½c. here, to cover all grades. The season is now nearly over.

Grain.—The market for oats continued firm, No. 2 Canadian Western being quoted at 49½c. to 50c., carloads, Montreal, ex-store; No. 1 feed, extra, 49c. to 49½c.; No. 3 Canadian Western, 48½c. to 49c.; No. 2 local, 48c. to 48½c.; No. 3, 47½c. to 48c.; No. 4, 47c. to 47½c. per bushel.
