CURED THOROUGHPIN.

Detroit, Mich., April 11, 1899.
I have used your CAUSTIC BALSAM for thoroughpin, and find it the best remedy. A doctor told me it could not be cured, but I have given five applications and I find that it has entirely disappeared, and the lameness all gone.

CURED POLL EVIL AND FISTULA.

Ringgold, Md. Dec. 30, 1899.
I have used your GOMBALT'S CAUSTIC BALSAM for five years, and can recommend it because of the good results I have had with it in curing Poll Evil and Fistula on horses, etc.

CURED BOG SPAVIN.

Jefferson, Iowa, April 8, 1899.
Please send me your special directions. I cured a bog spavin on a horse last fall with your CAUSTIC BALSAM. Everybody said I could use a whole barrel full of liniments and it would do no good. BALSAM CURED IT. I used it on a horse that was kicked in the hock, was lame and very tender. It took the soreness out, but there is some swelling left. Would you advise me to use it more? I put it on twice.

"THE BEST SPAVIN REMEDY THEY EVER USED."

Galveston, Tex., Dec. 3, 1898.
Enclosed find check for \$1.50, in payment for one bottle GOMBALT'S CAUSTIC BALSAM. The bottle ordered before has already been used, and with very good success indeed. Our teamster, who has had long experience with horses in Kentucky and New York, claims that it is the best spavin remedy he ever used, and the results were astonishing.

THE KARN PIANO

Wins admiration at the very first by the above-mentioned qualities, and what it wins it afterwards retains by reason of its DURABILITY.

KARN IS KING.

Piano Selection--

There are many things to consider in choosing a piano: musical qualities, effectiveness of action, grace of design, and probable durability.

Many agents gloss over the lack of certain of these requirements. Our way is to court the closest inspection.

THE KARN PIANO is so good in every way that it satisfies the most critical customers.
