OTTAWA, ONT , March 2, 1880. OTTAWA, ONT., March 2, 1830.

The writer has been selling Perry Davis' Pain-Killer now for the last 22 years, and can confidently recommend it to the public as a sure remedy for Cholera, Diarrheza, Sore Throat, Chronic Coughs, Bronchitis, Burns, Scalds, &c. Have known it to cure a case of Syphilitic Sore Throat of two years' standing, when all the usual remedies failed. The patient took half a teaspoonful in water three times a day, and gargled the throat three times a day as follows: one teaspoonful in a wine glass of water, and used as a gargle. Yours, H. F. MACCARTHY.

MAITLAND, ONT., February 26, 1880. I have much pleasure in adding to the number of the numerous testimonials you have already received, as to the value of your renowned Pain-Killer. I have sold it and used it in my family for twenty years or more, and have no hesitation in saying that it it is the best patent medicine I have ever used for the purposes for which it is recommended; and, moreover, werry person to whom I have ever sold it, has been perfectly satisfied with it, and I know many persons who will not go to bed at night unless they are sure there is a bottle of "Perry Davis" in the house. All who have used it once, will use it again; it makes friends and retains them.

Yours truly. IOHN DUMBRILLE Devents. I have much pleasure in adding to the number of the numerous Yours truly, JOHN DUMBRILLE, Druggist.

SPENCERVILLE, ONT., February 86, 1880. We have much pleasure in certifying that we have kept Perry Davis' Pain-Killer constantly in stock for upwards of twenty years, during which time it has taken the lead in ailes over all other pa-tent preparations, and has become an old, reliable family medicine.

W. P. IMRIE & CO.

MADOC, OHT., Palrulary 26, 2880. It gives me much pleasure to state that during a drug career of sore than a quarter century, I can testify that your justly colorated Pain-Killer has not only held its own as a family medicine, at still enqualsa the front rank wherever duty calls it. My commen spaik very highly of it, and I could send no end of testionals showing up its merits and intrinsic worth, were it necessary, which it is not. It should, however, he called "Excelsion his Killer." I pride myself in nover being out of it.

Yours very respectfully, JOHN G. DEANS. STOCO. ONT., Fobruary 17, 1880.

We have great pleasure to state that the l'ain-Killer holds imposition in this place as the old, reliable family and icine. Although there are a great many other remedies in the market—some bearing nearly the some name—as Pain Fain.

I have been using the Pain-Killer for many years with results that justly entitles me to recommend it. As a family medicine, we consider it almost indispensable: being good not only as a pain-killer, but for colds and sore throat, and many other ailments for which it appears specially adapted. I have used it myself, chiefly as a liniment, and find it valuable for rheumatism and pains and stiffness belonging to old age. I pronounce the Pain-Killer a good and cheap medicine, and worthy of all acceptation, and send you this certificate that you may assure the public that That man cares more for the two or three cents extra profit which he gets than he does for and send you this certificate that you may assure the public that it is no humbug.

Yours truly, THOS. GRAHAM. ESCOTT, ONT , March 4, 1860. We hereby certify that we have used Perry Davis' Pain-Killer in our families for several years. We consider it a very useful and necessary article to be kept in all households as a resort in case of accidents and exposure to attacks occasioned by cold

MAITLAND, ONT., February 25, 1880.

I have used your ain-Killer for the last twenty years. I carried it with me all through the American War. I believe I would have been dead long ago, if it had not been for your Pain-Killer. I think it is the best remedy in the world for which it is recommended.

PORTLAND, ONT., February 96, 1880. I have sold the Perry Davis' Pain-Killer for over thirty years, and the same has always given my customers entire satisfaction, and I have much pleasure in recommending it as a good and reliable family medicine.

PRESCOTT, ONT., Fabruary 27, 1880. I have sold your Pain-Killer for the last nineteen years in this place, and feel safe in recommending it so the public for the diseases given in your circular. I can assure you my customers speak well of it as a general family medicine. It takes the lead of all other similar preparations. Yours, &c.

CORNURG, ONT., March 3, 1880 If you cannot outsin the genuine PAIN - KILLEE in your locality, (a fact not very likely), you should address the Proprieters, and by sending medicine, and as long as I have a house and store, Perry-Davis' Pain-Killer will be found in both.

Yours, &c., J. E. KENNEDY. MADOC, OHT., February 16, 1680. Your Pais-Killer as a family cure all has been in constant use in my household for a long term of years, and I would never de-sire a better one. It never fails me. I call it the "Old Reliable."

Yours very truly, HORACE SEYMOUR. TAMWORTH, UNT., March 4, 1880. For twenty-three years last past I have sold Rerry Davis' Pain-tiller, and have always found it to give good satisfaction. I have
