THE WEARY SICK.

During the past few months our healing work has continued with gratifying results.

Among the ailments healed or being healed are the following, most of them a long distance from us, and all absent from us:

Various types of rheumatism, sciatica, partial paralysis, serious stomach troubles, prolonged vomiting, catarrh of head, bronchial tubes, and lungs, tuberculosis, kidney trouble, genital weakness, locomotor ataxia, etc., etc.

Our method makes nature heal herself. The work is both scientific and scriptural. Saint or sinner may be healed, if he will. For particulars address with stamp. Rev. G. A. Schram, 445 Cumberland Ave., Winnipeg, Manitoba Phone 2720.
