navid Russell Announced the Sale Made to Convince the Public Independent — The Storu of **Declined** to be Interviewed

MONTREAL, Q., July 28. - David Russell tonight announced the sale the Telegraph and the Times.

Mr. Russell declined to be interview ed with regard to the inner meaning of the transfer. He, however, admit ted that John Y. McKane of Newcastle N. B., had bought both the papers "And," added Mr. Russell, "he has paid cash for them both."

The foregoing confirms the report published in The Sun Saturday. The negotiations of which this transfer is the conclusion have been going on fo some time and practically came to head Saturday week, when Mr. Russell, Mr. McKane, B. A. Macnab o the Montreal Star, H. A. Powell an other prominent Conservatives met i this city. Mr. McKane went to Mont real last week when the negotiation were concluded. The price paid for thes two papers has not been mad public. Report places it all the way from \$110,000 to \$180,000.

This brings the Telegraph and Time lirectly under the control of the loca Conservative machine. Judging by circular issued Saturday in respons to telegraphic orders received on Fr day from Montreal an attempt is made to convince the public the the papers are independent in politic This is, of course, a deception whi will probably not be kept up very lor

MONCTON, July 28.-In sight of h young brother and a crowd of bo friends who were unable to aid hir Edward Williams, fourteen years o was on Saturday afternoon drowned waters of Humphrey's mill pon miles from this city. The le could not swim and seated on a log h been carried out into the stream to point where the water was twenty f deep. There he slipped from the and was drowned. Young Willi lived in this city, being a son of I and Mrs. Edward Williams. He employed in the co noon on Saturday told his mother had been invited to go bathing some friends to Humphrey's po Knowing that he could not swim mother urged him not to go, but said he would go for a wash, and parted, his brother James being one the party. Shortly before four o'cle they arrived on the banks of the up pond and the lads stripped and dispo ed themselves in the water. Fin Williams mounted a log which current caught and carried out s distance. He was seen to slip and backwards and into the stream arose to the surface twice, and the rified lads on the bank were unabl help him, and going down the sec time he was seen no more. Emplo in Lockhart's mill nearby were fied and three-quarters of an hour the body, caught with a pike pole, brought to tthe surface, but efforts
