The Supreme Rules

To successfully sell goods there are two outstanding rules to follow:

1st. ESTABLISH THE QUALITY OF YOUR PRODUCT. The best advertising on earth will never sell an inferior article.

2nd. ADVERTISE. And do it continuously. People have short memories these days. Don't think for a moment that because you or your business are well known you do not need to advertise.

Keep your business before the public through the best local medium—THE DAILY COURIER.
