Serbia is Still Loyal
To Cause of the Allies,
Says Premier Pashitch

SERBIA remains faithful to the
cause of the Entente allies de-
spite German intrigue and an
offer of the German Govern-
ment to conclude peace, declared
Premier Pashitch in a "declaration
of Serbia's foreign policy," read at
the opening of the Serbian Parlia-
ment held at Corfu on May day.

More than a year ago, Mr. Pashitch
said, "Germany was beginning to see
the impossibility of defeating her
enemies by military force alone, and
to see that she must have recourse
to other means. She then decided to
make the most energetic use of clan-
destine channels to disorganize as
speedily as possible the power and
cohesion of her enemy. She carried
on intrigues, employing different
methods according to the countries
for which she intended them.

"All these intrigues were clothed
in fine language and expressed hu-
manitarian ideals by means of which
the enemy was spreading monarchic
ideas in republics and republican
ideas in monarchies, recommending
in democratic countries a military
regime and in autocracies democra-

PREMIER PASHITCH.

tic, republican or anarchistic ideas.

All this had only one object, to
provoke internal disorders and discord
between the allies.

"In all allied countries the effect
of these secret machinations have
succeeded as well as in Russia. Judging
from effects it is impossible to deny
that the Russian revolution has been
taunted by German influence and has
only been useful up to the present,
to Germany.

"Austria-Hungary recently has in-
tensified her intrigue and calumnies
against the Serbian people, and
against King Peter and the Serbian
Government. She has but one object
to shake the faith of the allies in
Serbia, to destroy the national unity,
and by means of our dissensions to
insure the conquest of Serbia.

"But our people know Austria-
Hungary too well to lend themselves
to believe these lying words. The
Serbian people remain faithful. It
has given up all that it had and
could give. At present, with the lit-
tle forces that remain to it, it can
only stay faithfully at the side of the
allies, never forgetting that Austria-
Hungary provoked this war with the
object of destroying Serbia.

"The appearance of America in the
theatre of war has filled up the gap
caused by the Russian withdrawal,
and the armed forces of our allies
are more considerable than those of
the enemy as regards both men and
material. Their organization has been
improved and there is complete
agreement on all questions. The
Serbian people can therefore be cer-
tain that its sacrifice will not be in
vain and that its ideals will be re-
alized if it continues to give in the
future tokens of its military and civic
virtues and if it remains safe, as
hitherto, from intrigues which aim
at destroying its concord and unity
in the defence of the interests of our
people."

How a Father Feels Toward His Son.
Richardson Wright, in "Letters to
the Mother of a Soldier" in the Red
Cross Magazine, reminds us that
"Mother" is not the only one to pity
when the boys go off. "Father" needs
a helping hand to bear his
sorrow, too. Says he:

"The going of their sons has work-
ed a great transformation among
fathers. They look ahead, just as
you look ahead, fearful of the out-
come. The man child who bears
their name is at the front. Here is
pride for you! Here is also dread
and anxiety and speechless horror.
For a man looks on a son as an
artist looks on the statue or the
painting that his hands have cre-
ated. He is the embodiment of his
dreams, his wealth, his playmate, his
scholar, his tutor, his available fu-
ture. The mistakes he has made he
shall rectify in his boy. The weak-
nesses to which he has succumbed,
his boy shall conquer. To a father
his son is his second chance, his be-
ginning again, his hope of eternal
salvation. So long as he has that boy
he is immeasurably rich and his fu-
ture is safe. When he loses him, he
loses his immortality in the flesh."

So to Speak.
"What is a lie?"
"A Hun-truth."

ROSE DAY
MATTERS
WOUND UP

The last meeting until September
of the Women's Hospital Aid, took
place on Friday morning, June 7th,
the President, Mrs. Reville, presid-
ing. There was a good attendance
and Rose day business was almost
completed.

The secretary and treasurer's re-
ports were presented, the latter
showing a balance in hand from Rose
day of over \$5,000, with more to
be added.

Money was paid in on piano (rum-
mage sale) \$3.00. Pies, North ward,
\$1; West Brantford, 25c. Accounts
were presented from Brantford, Hill
Telephone Co., \$13.70 for head-
quarters telephone; Exhibitor, Court-
ier, Mr. Lindsay Spence for posters,
and A. J. Glavin all of which were
passed for payment.

Other correspondence read were
letters of thanks from Mrs. W. E.
Gonzalez, Waterloo, Mrs. D. Webster
and Mrs. Battersby.

From the Rose day campaign, the
following ladies were made life mem-
bers: Mrs. W. S. Brewster, her
husband, Mr. W. S. Brewster, her
son, Mr. Martin McEwen; and Mrs.
Arthur Ames by Mrs. W. F.
Petersen.

Anyone wishing to name a life-
member through having contributed
\$25 or over in the rose day campaign
will please notify Mrs. T. S. Wade,
secretary, to that effect.

The hospital visitors' report was
read by Mrs. Julius Waterous. Four
visits had been made during May.
The first were by Mrs. Ames and
Mrs. Cookhouse; and the other three
by Mrs. Ames and Mrs. Hurley. They
had found everything bright and
pleasant, with quantities of lovely
flowers in each of the public wards.
Fruit and magazines were taken up
each week. Visitors for June are
Mesdames Ed. Brooks, Vaughan and
Slemm.

Moved by Mrs. Ames, seconded by
Mrs. Henwood, and carried, that vis-
itors at the hospital will take only
magazines or flowers each week, giv-
ing a general treat on the last visit
to all in the public wards.

Letters of thanks were read to Mes-
srs. Ames and Mrs. Hurley. They
had found everything bright and
pleasant, with quantities of lovely
flowers in each of the public wards.
Fruit and magazines were taken up
each week. Visitors for June are
Mesdames Ed. Brooks, Vaughan and
Slemm.

Mrs. Reville, as President of the
W. H. A., expressed her apprecia-
tion of the wonderful work of Rose
day. Extra effort was needed for
this year, and the proceeds showed
that it had been given. Everyone was
ready to undertake the work allotted
them, both new and old members,
and there had been not one lukewarm
worker and not one discordant
note heard in the whole campaign.

All had worked together harmoni-
ously as one person. She wished
to thank the citizens generally for
their generous treatment—former
donations had been doubled and
many troubled. The Mayor and Alder-
men had received the ladies who
waited on them, on Monday evening
in a most sympathetic and courteous
manner leaving the impression that
their desire was to make a larger
donation than the \$500 asked, and
so cordially voted. Her thanks were
also given to the manufacturers,
merchants and all donors, especially
in the country. Busy women, with
boys gone or going to the front, left
their work and spent valuable time
in collecting and working for the
enlargement of the nurses' premises.

Mrs. Nelles remarked that all the
W. H. A. members were happy and
proud of their president who also
had given time and work so un-
grudgingly.

Mrs. Watt as Treasurer, desired
to thank all those who came on
Monday and helped in counting the
money.

Mrs. Laing, convener of public-
ity committee, reported a special
thanks the Business College for
typing, also the Misses Mildred Cook,
Irene Miller and Ida Anderson for
addressing envelopes.

Letters of thanks to be sent by
the secretary to the press for ad-
vertising at the Brant, Mr. Frank
Cookhouse for headquarters, the City
Council, City Police, South Brant
Women's Institutes for a donation,
Hampel & Co., for boxes, Mr. M. E.
Long for tables and chairs. Mrs.
Schell for arm bands and Mrs.
Broadbent, and Mr. McPhail of
Eagle Place for assistance to col-
lectors.

The South Brant Women's Insti-
tutes, through their district secre-
tary, Miss B. Rodolph, sent a che-
que for \$100 (proceeds of a rum-
mage sale held in May) towards
home.

Resolutions of sympathy were
passed and letters will be sent to
the family of the late Mrs. Sage,
Eagle Place, long an active member
of the auxiliary, to the family of the
late Mrs. Wm. Edwards, Grant St.,
to Miss Suddaby, in the loss of her
father, to Mrs. McDonald, mother of
Miss McDonald killed while on duty
in France, and to Mrs. Baldwin,
Paris, whose daughter met the same
fate under similar circumstances.
The meeting was then adjourned
until September.

DRUGS EXCITE YOUR
KIDNEYS, USE SALTS

If your Back hurts or Bladder
bothers, drink lots of
water.

When your kidneys hurt and your
back feels sore, don't get scared and
proceed to load your stomach with a
lot of drugs that excite the kidneys
and irritate the entire urinary tract.
Keep your kidneys clean, like you
keep your bowels clean, by flushing
them with a mild, harmless salts
which removes the body's urinous
waste and stimulates them to their
normal activity. The function of
the kidneys is to filter the blood. In
24 hours they strain from it 500
gallons of acid and waste, so we can
readily understand the vital import-
ance of keeping the kidneys active.
Drink lots of water—your body
drinks too much; also get from any
pharmacist about four ounces of Jad
Salts; take a tablespoonful in a
glass of water before breakfast each
morning for a few days and your
kidneys will act fine. This famous
salts is made from the acid of grapes
and lemon juice, combined with
lithia, and has been used for genera-
tions to clean and stimulate clogged
kidneys; also to neutralize the acids
in urine so it is no longer a source
of irritation, thus ending bladder
weakness.

Jad Salts is inexpensive; cannot
injure; makes a delightful efferves-
cent, light water drink which every-
one should take now and then to
keep their kidneys clean and active.
Try this, also keep up the water
drinking, and no doubt you will
wonder what became of your kidney
trouble and backache.

Offer For Sale

Very fine property known as the Robinson Park Lots, on the
Hamilton Road, Echo Place. This is a very beautiful sub-division
in the midst of the best residences, and in close proximity to the
large factories in that district. Echo Place is Brantford's best
suburb, on the line of the Brantford and Hamilton radial, Grand
Trunk Railway, and T. H. and B. railway. As there are hundreds
of homes being required, this district presents a rare opportunity
for people desiring splendid building lots. The advantages of a
suburban district are as follows: People can live just outside the
town and yet have all the advantages of city life. They can also
have nice little gardens for growing vegetables, etc. The Echo
Place suburb is one that is building up rapidly, and is composed
of enterprising people. They have a live association for the im-
provement of their own locality. It also has a fine school and
good churches. We offer the whole block, containing 86 lots, or
will sell the lots to individual purchasers. For price and terms
apply to S. G. Read and Son, Limited, 129 Colborne Street.

We also have splendid lots for sale in other localities; houses
