WEDNESDAY, MAY 27, 1903.

YUKON COUNCIL.

The Yukon council has met, spent nearly two weeks in earnest discussion and debate and adjourned. Still the country moves along in its accustomed grooves, and the cleanup on

In the matter of actual legislation passed and adopted, the council did But at any rate it is satisfactory to note that no hasty or ill-advised ordinances were placed on the statutes Another session will be called during the early part of July and several matters left over from the recent meeting will then be taken up and

It is a source of disappointment many that the proposed lien law could not have been placed in such shape as would warrant its adoption by the council, but it must be said in all fairness that the responsibility does not rest entirely with the men

of the Trades and Labor Council' it should come up for consideration.

We pointed out the advisability of the Trades Council and re-framing it under legal advice, along lines which would justify the territorial legislators in giving it a place among the

During the interim, we suggest that the subject be again taken up and with the knowledge gained from the recent discussion a new measure ought sports of vesterday and the celebra First avenue. to be framed which will command sufficient support in the council to se-

In respect to other legislation carried over the ordinance extending the powers of the city council may well be given further consideration.

Additional revenues, it appears, are required by the municipal government and for this purpose a road or polltax among other methods is propos-

From the point at view both of the city council and the taxpayers it would be well during the meantime that a statement of city finances should be prepared, indicating the amount intended to be raised and the quired. This we have no doubt the city government will be pleased to furnish It will serve to guide the public in forming an opinion upon the wisdom of the council's proposals and will furnish an added guarantee of the kenerally accepted fact that city at irs are being conducted in

perfect good faith. The chief regret which we feel in connection with the proceedings of the Yukon council arises from the failure of the majority of that body Section Company of the majority of the ma

The Klondike Nugget to endorse the protest against the Treadgold concession, Had the council seen its way clear to act with the people in that connection, there would be small cause for criticism.

It is pertinent at this time that brief attention be given by the Nugget to continued attacks, which for Pleasant Social Event at Yearly, in advance ______\$24.00 this paper by an envious contempor-
