How People Differ.

There is a great difference in people. There are not satisfied at ordinary methods at doing things but require that a great here of noise and nonsense be made over the most trivial thing, while others are grateful for good done, no matter how mulie the means or agency. The latter has is illustrated in the action of Jas. 7. The Alton, Ont., who writes that he markeds ourse effected by a favorile re-marked for chest and threat disease. He argo for chest and threat disease. The age of the solution consumption. I recourd two bottles of the Balans, which require inductive factors that are age to was completely seatored to health." here who like simple effective remedies hat cannot injure if they do not ours, hat on the other than try Dr. Wilson's he threat and lungs. The death of Mr. Jahn 7. Erens, the is a great difference in peop

A choice assortment of plated ware re-osived at John M. Bond & Co.'s, at prices lower than ever.
