I Am "Granny" Chamberlain

"Granny" Chamberlain

Everybody's friend when they have coughs and colds and their children have croup and whooping cough.

Most everyone knows me. I have been going from home to home for nearly fifty years—always welcome, too, for I never fail in their hour of need.

I have helped young mothers whose babies were choking with croup, and been the comfort of parents whose children tramp to school through the wet winter weather. Many a cold and attack of bronchitis I have warded off, and thousands I have helped through the anxious moments of whooping cough. I have come to the aid of mothers and fathers when they had colds and influenza, and have been a relief to old folks suffering from bronchitis and asthma.

I have had a most varied experience; I go everywhere—among the rich and the poor, in cities and the country.

Now don't forget "Granny" Chamberlain! You will see me often now, for I am going to tell you of my experience and what can be done in your home with

Slandering the Red Cross

We do not know if it is ignorance of the facts or the vicious disposition of "slackers" who will neither go to the war nor aid in relieving the sufferings of those who do go that is responsible for the mendacious stories afloat tending to debase the honor of the noble army of Red Cross workers.

That the women of Victoria county should misappropriate and sell socks intended for the comfort of wounded soldiers is an accusation beneath contempt. Such a thought can have no place in the brain of a man whom the Creator endowed with even a moiety of common sense. That the firm of Frasers Ltd had found it necessary to offer a reward to discover the perpetrator of the mischievous stories is evidence that the foul rumor has made some headway.

Operation Ordered

For Appendicitis—Used Dr. Chase's Kidney-Liver Pills and Was Completely Cured.

Mrs. J. A. Ballantyne, Sturgeon Falls, Ont., writes: "My husband was treated for appendicitis and the doctors ordered an operation. But he would not consent to an operation and began the use of Dr. Chase's Kidney-Liver Pills. Since doing so he has had no need of a doctor, as the trouble has completely left him. I cannot find words to speak our gratitude for his cure. Dr. Chase's Medicines have proven of wonderful benefit in our home, as the Ointment cured my little girl of a severe burn, when nothing else would bring relief."

Dr. David H. Reeder writes as follows of appendicitis:—"In considering the treatment of any condition of sickness it has always been my rule to first find the cause. To my mind, it's the only logical way. Many people seem to think that if they have had an operation for appendicitis they are forever immune, and need have no further fear along that line, but I say emphatically, and I think you will agree I am right, that after an attack of appendicitis, even though you have been successfully operated upon and the appendix removed, your troubles have only just begun unless you remove the cause. What was the cause of the appendicitis? "The thoughtless will say inflammation in the appendix. No, inflammation in the appendix is appendicitis, but what caused the inflammation? Constipation, yes, that is the prime cause. If you were never constipated you would forever be safe. Appendicitis is only one of the results of the retention of fecal matter in the colon for too long a period."

There is no longer any question that the real cause of appendicitis is constipation. By keeping the bowels regular you not only prevent appendicitis, but also a host of other ills, some of which are even more dangerous than appendicitis. Dr. Chase's Kidney-Liver Pills are recommended to you in this connection, not as a mere relief by effecting the movement of the bowels, but rather as a positive cure for constipation. As is well known, the bile secreted by the healthy action of the liver is Nature's cathartic. So long as the bile flows freely into the intestines there is no constipation of the bowels and no clogging of the excretory organs. Hence the wisdom of using Dr. Chase's Kidney-Liver Pills to ensure regular working of the liver, kidneys and bowels. You thereby save yourself much inconvenience from the minor ills of life, and ensure against such fatal diseases as appendicitis and peritonitis.
