

## TOWN TOPICS

Madame Harrison sings in Music Hall, Sackville, tomorrow evening.

The Educational Review contains a very interesting paper on Nature Study by Miss Mary A. Reid, of Campbellton.

Hon. A. S. White of Sussex, N. B., has been engaged as associate counsel in behalf of the town in the suit brought against the corporation by C. S. O. Crockett.

In speaking of the moose heads brought to Fredericton to be mounted the Gleaner says: A nice head belonging to James McMillan of New Mills, also came in. This animal was shot by Joseph Carrier.

The case against Numa Bernatchez for selling liquor in less quantities than a quart, he holding a wholesale license, was Tuesday morning dismissed by the Police Magistrate there being no evidence to warrant a conviction.

While A. Long of Moncton was driving two young ladies on Sunday last down Jacquet River hill the horse became unmanageable and kicked every thing clear of the wagon, seriously injuring Mr. Long. Fortunately the young ladies escaped with nothing more than a bad scare.

A little girl by the name of Rose Delima Polastre, Salmon Lake, P. Q., was quite badly burned a few days ago. Her clothes were almost entirely burned from the body. The physician in attendance brought the little girl to the hospital here. A report from the hospital this morning, places the child beyond danger. She is doing nicely.

Mrs. J. K. Barney, World's W. C. T. U. Superintendent, jail and prison work, will visit Campbellton on the 18th inst, when she will lecture in the Baptist church Mrs. Barney, who is attending the provincial convention in St. Stephen, is well and favorably known from a former visit and will need no introduction to a Campbellton audience. The subject of her lecture will be pronounced later.

Contractor Willard Kitchen finished laying the I. C. R. pipe line on Thursday last, and the engineer who inspected the job reported so favorably on the quality of the work that the management requested Mr. Kitchen to rebuild their dam before going away. But as no material was at hand this would occasion more delay than the contractor was willing to assume, consequently he shipped his entire plant to Fredericton Saturday morning.

The International Paper Company, which recently purchased the lumber and milling property of Ernest Hutchinson of Douglastown, are said to be negotiating for the Alex Gibson lumber and milling interests at Marysville. It is said that in fact the negotiations are about completed, and that the transfer to the new owners will soon be made. The deal is said to include all the lumber mills at Marysville and Blackville, together with all of the timber lands owned by the company and the licenses under their control; and also all of the company's residential and other property at Marysville west of the Nashua. The purchase figure named is something over \$2,000,000.

Pumpkin wit and rural comedy has long held a fascination for the play-wright and the local season at the theatre is always assured one or more comedies founded on scenes taken from the country. Several of them have become established favorites and return regularly each season to splendid houses, but in all the lists it is quite safe to say that none holds a surer place in the hearts of the local theatregoers than the quaint Posey County Indiana lass, "Sis". Her philosophy and wit has found lodgement with many a loyal supporter among her theatre friends. This season "Sis" blossoms out in a new play called "Sis in New York" and it is said to be in keeping with her past offerings. The local date is for Monday, Oct. 14th at the Opera House.

In an interview with the Newcastle Advocate Thos. Malcolm, who is building the International Railway from Campbellton to St. Leonard's says that it is probable the railway will be completed next fall. It would have been nearly finished this year if the weather had been favorable, but since June practically nothing but a succession of rain storms had prevailed and had greatly interfered with operations. The labor question had also been a feature in the situation. While as many as 2,000 men had been on the payroll at wages ranging from \$1.75 to \$2. a day, they had been continually coming and going and no time had more than 800 or 900 been at work at once. He had not about 900 men engaged. Construction work, Mr. Malcolm said, now being carried on at both ends from Campbellton and St. Leonard's. Some of the sections on the line, he adds, are difficult from a construction standpoint, one brook as an example, which is very winding in its course, having to be crossed sixteen times. A good grade, however, has been secured.

Warm house slippers in new styles at McRae's Shoe Store.

Rev. W. A. Thomson will preach at Examinac on Thursday, Oct. 24th, at 7 o'clock.

Chas. E. Lockhart, J. red Edgett and others are applying for incorporation to carry on a lumber business with head office at Notre Dame, Kent Co. The capital stock is \$45,000 in shares of \$100 each.

The pretty two masted schooner "Caroline" Capt. Dyett, is here this week discharging a cargo of Barbados molasses and sugar for Baird and Peters. After discharging, she will take a cargo of laths at Dalhousie for New York.

The election to represent the different parishes at the Gloucester county Municipal Council took place Monday, and resulted as follows:—Bathurst: James P. Byrne, A. Furningham; New Bandon: Henry Scott, J. W. Dumas; Paquetville: Jos. A. Foirier, Angus Paquet; Caraquet: Fred L. Leger, Seraphine Legere; Shippegan: Adair Savoy, Elsie Chaisson; Inkerman: Wm. C. Robichaud, George McConnelly; St. Isidore: Louis G. Arsenault, James Thomas; Salmon Lake: J. Raymond Young, F. Witzell.

The bill boards have been carrying an attractive line of paper announcing the coming of a comedy favorite, which it will not be extravagant to say, has no equal among our theatregoers in popularity. The awkward, pigtailed, Hoosier lassie "Sis" with a lovable creature and her Posey County friends, are announced in a new skit this season. "Sis in New York", the author has seen fit to call it, and it is said to be one of the Hoosier comedies in a part, well suited to her peculiar style of comedy. The local date is for Monday October 14th.

Another New Brunswick lumber property has passed into the hands of American capitalists. Mr. Ernest Hutchinson, of Chatham, who possesses large lumber interests in that vicinity, is the seller and the purchaser is the International Paper Co., of Bangor. Mr. Hutchinson's property consists of forty-five square miles of granted timber lands and 300 square miles of crown lands held under lease, also a general store and a large and well equipped mill. The price is said to be in the vicinity of half a million. This is the fifth big property on the north shore to be absorbed by Americans during the past couple of years. There are rumors that a pulp mill may be erected.

The home of Mr. and Mrs. Girard, wood, Bathurst, was the scene of a pretty wedding on the evening of Wednesday, and October, when their youngest daughter, Miss Kate, was married to R. Barclay Gerrard, of Campbellton. The Rev. James A. Wheeler, pastor of St. Luke's Presbyterian church, Bathurst, was the officiating clergyman. Only immediate relatives of the bride and bridegroom were present. The bride's costume was of cream silk crepe de chene with a yoke of baby Irish lace over satin and a gridle of cream Dresden ribbon. Her veil was of white point d'esprit, and her bouquet of asters, sweet peas and maiden fern, arranged in shower festoons. Miss Kate Sherry attended her as flower girl and was attired in cream nun's veiling with yoke and trimmings of lace and pink sash. The bride's travelling costume was of grey tweed with hat to match. The gifts to the bride from her many friends were numerous and valuable.

A very interesting event took place at the church of St. Anne de Restigouche, on Monday morning, October 7th, at ten o'clock when Elizabeth, youngest daughter of Christopher Keane and Richard K. Murray, both of Cross Point were united in the holy bonds of matrimony. The nuptial ceremony was performed by the Rev. Father Racine in the presence of a large crowd of invited guests. The bride was given away by her father and was becomingly attired in a travelling suit of gray with hat to match. She was attended by her cousin, Miss Lucy Geraghty of Oak Bay who wore a green suit with hat to match. The groom was ably supported by Richard P. Geraghty of San Francisco. After the ceremony they drove to the home of the bride's father where a sumptuous repast was served. The afternoon was spent in music, singing and games. Supper was served and later the happy couple were accompanied by their many friends to Campbellton where they took the express on Tuesday morning for a trip to Montreal and other points. On their return they will reside at Cross Point. The bride received many handsome presents. The groom's present to the bride was a gold crescent set with pearls and to the bridesmaid a handsome gold locket with monogram on it.

There is said to be more fun stored up in the new play, "Sis in New York" than in any that she has had. There is plenty of chance for good comedy and her playwrights have proven in the past that they know how to supply the Hoosier funmaker with plenty of opportunity. If you are there when she and Zeke show Pierpont Morgan how they dance in Posey County, Indiana, you will get your money's worth. "Sis in New York" comes for one night only on Monday, Oct. 14th at the Opera House.
