## RAIN STOPPED.

Minister Caused Drought Because of Salary Due Him.

Bokhoma, Okla., March 15.-Like unt Moses of old, calling down judgments of the Lord on the land of Pharaoh, the Rev. Charles Ford, a Holiness preacher, called down a plague on Bokhoma in the form of a drought, and since his public prayer scarcely a drop of rain has fallen here for six months until yesterday, when the minister prayed for the drought to end.

of a lumber company. Six months ago
the pastor resigned his position at the
mill and claimed he did not receive all
the salary that was due him. He then
announced his intention of asking the
Lord to withhold the rain from this vicinity indefinitely. The following Sunday he made the prayer from his pulpit.

## TO BE PITIED.

No Hotel Apartment Can Usurp Place of Home.

The Lenten noonday service at the St. James' Cathedral, Toronto, vesterday was conducted by Bishop DuMoulin, who will speak daily this week up to and including Friday. His theme yesterday was the perfect home. A man or woman. Bishop DuMoulin said, might have the most luxurious dwelling place, but lacking human fellowship it was but a desolate place in which to eat and sleep. God late place in which to eat and sleep. God at the dawn of creation recognized this, and made a helpmate for man, and then the two formed a home. Such companionship is absolutely necessary to make sweet the rugged days of life in this mid-day world. It is not good for man to dwell alone. Hotel apartment and backelor life cannot usurp the place of a God-blessed home. The man is to be pitied who has no home, a home to which he can return and be welcomed with familiar, loving embrace of a wife and children. The man without a home lives a life of desolation.

# The Reason Why

We Feel Tired The system is overloaded with poisonous waste matter.

Kidney-Liver Pills.

You expect to be tired when you have been working hard, for the activities of muscles or brain cause a breaking down of cells, or burning up, we might say, and after a while the system becomes clogged with this waste matter or ashes and you get tired.

But you are often tired when you have not been working hard and in this case the conditions are much the same, but the presence of the poisonous waste matter is due to the derangements of the excretory organs—the liver, kidneys and bowels.

Besides feelings of fatigue there is likely to be aching of the limbs, head ache, pains in the small of the back and feelings of dizziness and weak ness.

The filtering and excretory systems being clogged digestion is interfered with, appetite fails and you feel generally miserable, out of sorts and irritable.

The regular meeting of the Women's Institute of Jerseyville will be held on a Thursday afternoon, March 18, at 3.20 o'clock. This is a special meeting, and all members are requested to attend. Mrs. R. L. Stephenson is expected to give an address, and a paper on "Home Nursing" will be given. Everybody welcome.

Frank Eckhart, an old offender, at Toronto, went to the Central Prison, yesterday to serve one year for highway robbery. He held up Samuel Corbett on Richmond streeet late on Saturday night.

Under such circumstances you cannot possibly do better than use Dr. Chase's Kidney-Liver Pills for they have a direct, specific and combined action on the liver, kidneys and bowels, effect prompt action and a thorough cleansing of the excretory system and restore healthful digestion.

There is no medicine of more frequent or effective use in the family than Dr. Chase's Kidney-Liver Pills, for they have no equal as a cure for constipation, yet on the principal of the system and restore healthful digestion.
