W T WELSH,

they were notined of the leet, but a many of the members of the Society were buny plowing, they concluded to finish before they went on encess for their salt. The railway authorities always allow-twenty-four hours for the removal of articles, after which they change demurrage at the rate of \$4 and? The farmers were apparently unaware of this, for they allowed the salt to remain for four days over the time, and of course had to pay \$16 over and above what they anticipated, thereby making their salt somewhat desere than had it been purchased in the regular way.—New Era.
