TOKIO, March 27.
By a large majority on Saturday the House of Representatives passed a resolution urging an army retrenchment of forty million yen, and the reduction of the conscription period to sixteen months.

RETURNED TO LONDON.
LONDON, March 27.
Premier Lloyd George was expected to arrive in London this afternoon from Orcoeth, where he rested two weeks. Friends say he benefited wonderfully. The Premier will not resume his usual activities immediately, but will further consider plans for the Genoa Conference and prepare a speech to the House of Commons to be made a week from to-day, when he will seek a vote of confidence.

CLEARING THE AIR.
PARIS, March 25.
The retention by Turkey of Constantinople and a large part of Eastern Thrace, the demilitarization of the Dardanelles, whether allotted to Turkey or Greece, and that an International Commission shall help towards the upkeep of the Straits, are the proposals made by Allied Foreign Ministers here, after a five day discussion on Near East questions. An amicable offer of mediation between Turkey and Greece, removes the dilemma facing the French, of either taking a hostile attitude toward Turkey, or breaking with the Allies, and also removes the cloud, created over the Anglo-French relations by the Angora record.

DECREASING.
BELFAST, March 27.
Fatalities in week end disorders tallied seven.

INTERNAL TROUBLE.
DUBLIN, March 27.
Convention of Irish Republican army members, forbidden by Dail Eireann, ended its lengthy session last night, without having excited any outward demonstration. It is generally supposed that those who attended will be treated as having separated themselves from the rest of the army, and their names possibly stricken from the army roll.

ULSTER CABINET ACCEPTS.
BELFAST, March 27.
The Ulster Cabinet at its session to-day accepted the invitation extended by Colonial Secy. Churchill to a conference in London of Irish leaders.

Scant Courtesy at Liverpool.

WRECKED NEWFOUNDLAND SAILORS COMPLAIN TO NORTH SYDNEY HERALD.

James Philpott, of Bonaville Bay, Newfoundland, one of the three survivors of the ill-fated schooner J. N. Hafuse, which was lost at sea on the 20th of February, and her captain, mate and cook either killed or drowned when being rescued by the Norwegian steamer Terrier, called at the Herald office last evening to register a complaint against the British authorities at Liverpool, where they were taken by the Norwegian.

Mr. Philpott says the scantiest courtesies were offered them. True, they were per force of circumstances furnished with food, lodging and some clothing, by the shipping officer at Liverpool, but when it is considered that only the slimmest of cotton socks were given them and they were refused mitts or gloves to protect them from the cold, some idea of their treatment can be judged. It would be supposed that the men would be furnished with even a few shillings to purchase little extras, such as tobacco, shavers, etc., but such "dainties" were looked upon by the Britishers as outrageous.

"It was different when we struck North Sydney," said Mr. Philpott. "Nothing seemed to be too good for us. Mr. A. W. Shano is a prince among Newfoundlanders, and made our stay a most pleasant one—just like home, as it were. The same applies to the good people of North Sydney, whom we will not forget in the future."

NOTICE TO THE PUBLIC.—We are endeavoring with your help to get back to pre-war prices. It's up to you to help to put them there—by your patronage. Our prices on and after Monday, March 27th, will be: Hair-cutting (Adults), 35c.; (Boys) 25c.; Shaving, 15c.; Massaging, 25c.; Shampooing, 25c.; Singing, 20c.; Buster Brown and Dutch Hair-cutting, 30c.
