

PAIGE An Extraordinary Car

PAIGE motor cars are built for people who require a motor car that is different I from the ordinary.

For people who require the long symmetrical lines in their motor car which are the embodiment of grace-look at the Paige and compare its beauty. For people who require comfort in motoring the Paige wheelbase of 131 inches makes any road, no matter how hilly or rough, seem like a smooth level highway. For people who require a motor car with a powerful engine—the Paige has an engine that leaves all competitors behind, as has been demonstrated in hundreds of

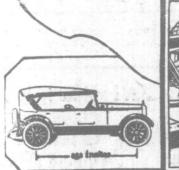

For people who require a staunch and rugged motor car that will last for years—the Paige chassis is built of "I" beam steel to withstand every demand from the

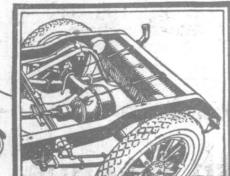

In short, the Paige has been built for motor buyers who require a car made by reputable builders with years of experience behind them—the Paige Motor Car Company has been building fine motor cars for 13 years, each year adding new laurels. A firm of great financial strength back of every car.

PAIGE SPECIFICATIONS

night. They will hold their annual Minister. parade on St. George's day and will attend Divine service at Little Catalina on the Sunday preceding.

The members of Morning Star, No. 2, L.O.A., are renovating their hall and putting it in good shape to receive the Grand Lodge, who will hold its sessions here this year in July Catalina Orangemen are very fortunate in having this honor conferred upon them, although Morning Star is one of the oldest Lodges in the island vet they have never had the opportunity to entertain the Grand Lodge in session. As this is a summer session no doubt practically every Lodge in the island will be represented, we look forward to a large gathering and anticipate a lively and profitable session; and it goes without saying that the committee in charge will do all possible and leave no stone unturned to entertain the delegates and give them a good time.

Messrs. Clarence Scott, James Bin don and Wilson were here the past two days soliciting orders in the interest of their respective firms. We trust they did well.

Hon. P. Templeman's schooner "Retraction" is now at Carbonear salt laden on the way from Cadiz, Unfortunately Capt. "Jack" is making a long passage this trip. We shall be glad to see his pleasant smile again.

Mr. Chas. F. Snelgrove has been spending the past two months in Boston on a business and pleasure trip combined. We are informed that he is coming home about the last of the month and all look forward to some good bargains. Leave it to "Charlie." During his absence his store is being looked after by his son, Clarence and Mr. George Pomeroy.

" Mr. Wm. Haynes, Jr., proprietor of the firm of Haynes & Son, has left for Boston with his wife and family. where he will in future reside. The business is now being managed by his brother, Mr. Robt. G. Haynes.
