PROFESSIONAL GAMES,

THE ATLANTICS DEFEAT THE ATHLETICS.

On Monday the Brooklen ATLANTICS defeated the Philadelphia ATLANTICS in their 5th game, on the Union Ground, Brooklyn, by a score of 18 to 7. The ATHLETICS muffed through the whole game, and immense sums were lost on the result, as almost every one thought it was a sure thing to bet on the ATHLETICS. The fielding of the ATLANTICS was fine, and elicited general applause. Time, 2h. 10m.

To-morrow the Bostons play the ATHLETICS at Springfield.

PARKE'S AND DEADY'S.

The most important event that took place yesterday in our quiet little town was the match game between the boarders of these two of our hotels. Though business went on as usual, and the money market seemed undisturbed, yet few, very few, we are sorry to say, knew the trouble that was gnawing at the vital strings of the captains of the two colliding nines. Having complied with the terms of the champion club, they were allowed the champion club, they were allowed the champion club, they were allowed the from each a "fine display" of base ball. From early moon till the fastal hour for the commencement of the great struggle, did preparations not flag a single instant, and when the fulness of time had come and all things were in readiness—as unpire selected, referees appointed, and scorers ongaged at exorbitant salaries, and also several small boys hired to carry drinks—then these two great come-bat-ing forces headed by their notific annating. PARKER'S AND DEADY'S. scorers ongaged at exorbitant salaries, and also several small boys hired to carry drinks—then these two great come-bat-ing forces, headed by their noble captains (both as brave as mice in a cupboard) were seen to emerge from their mansions armed with clubs, etc., sufficient to supply a Metropolitan police force, and march bravely to the contest. Here a scene took place: the reporters of the press were asked into the tent to drink of the abundant supply of spirits which had been provided, and then, in such pathetic and entreating language, coaxed not to give a report. But the spirit was rich and the joke richer, so our reporter—all honor to him—returned to his position in the both and took the following notes:—At or about three o'clock play was called, and Jimmy took the bat, sctually struck the ball and rum—out. Then, after the free application of some tawse, followed by a fly and ably backed by a flot of roe, did they fall back to winn, and score five. All was now excitement and tunult, followed by money bets, hand shaking, yells from the back seats in the gallery, and general convulsions everywhere. Soon peace was restored, and Martin's nine, after a promise of a "free ride to the house" and a good feed, went in and batted 6, and from that memorable moment did the Pankern House proudly assume the posish of the dog's tail and keep it—all behind. Another struggle followed for a few moments, and at the end of the third innings, the score standing 39 to 10 in favor of the Deady House, it was soon seen who were to be masters of the field. tollowed for a few moments, and at the end of the third innings, the score standing 39 to 10 in favor of the Drany House, it was soon seen who were to be masters of the field. Drinks were again in demand, and from that time the players, like the game itself, seemed to be all one-sided, and our reporter closed his note-book and calmly waited the end. The Drany House played pretty well on the whole; but Parker Jimmy couldn't understand how on earth it was the "confounded" ball always run between his legs, or if it got in his hands he couldn't hold it,—and then a race took place between him and the ball, with the latter 'slightly ahead. "Chappee" did pretty well, (on one occasion having been rewarded for his bravery in an exciting race for the base by being carried round the field on the arms of two of his braves, so also did some of his subordinates; and when they (if ever they intend to play a return game, we hope they will be well supplied with eggs and brandy (as that is said to be the staple article of the Parker house) for weeks before, if they intend to put in a decent score with the Drany's. Olemand-dy was so elated with the success of his men that an eight horse rig was in waiting long before the close of the game to carry the conquerers from the field, and we understand an extra supply of eggs and other good things was in waiting to award them for their bravery when they arrived home from the contest. At the conclusion of the game we hear a pleasant evening was spent, both conquerose and conquered feeling happy. Mr. Wm. Sunley acted as umpire, and Messrs Jackson and Sharpe as scorers. The following is their report:—

Erin on Saturday, the 12th inst., be-tween the Champtons of Halton and the ERIN CLUB. ERIN WOD by I run. Score, ERIN 20, CHAMPIONS OF HALTON 19. The champions of the Dominion may expect a turn next.—Com.

The Ottawa correspondent of the Tor-onto Globe says:—The match for the Championship of Ontario, to come off in Ottawa on the 23rd, between the Maple Leaf Club of Guelph and the Ottawas, is exciting a lively interest in sporting circles.

A meeting was held in London or Tuesday evening for the purpose of re-organising the TECUMSEH nine. CRICKET.

A match was played in Peterboro' yes-terday between the Lakefield Club and the Marle Lear of Peterboro', which re-sulted in favour of the latter by one run and eight wickets.

Ottawa and Prescott had a contest in Ottawa yesterday between the JUNION ELEVEN of that place and the PARSCOTT team, which resulted in a victory for the latter.

A match was played in London yester-day between the London and Tobouto-elevens resulting in favour of Tobouto-elevens resulting in favour of Tobouto in the first innings by 5 runs only. Scores, Tobouto 108 and 63; London 103 and 13, with one wicket down. Mr. Baynes, for Tobouto, made 37 in the first innings, and Hyman ran up 48 for London in his risual good style. It is thought that London would have won had time been allowed to have played the game through.

The Venerable Archdeacon Scott, of Dunham, Canada East, esys that he suffered from Dyspepsia more than twenty-five years, but that three weeks' use of the Peruvian Syrup (an Iron Tonic) has benefitted him so wonderfully that he can hardly persuade himself of the reality and people who know him are astonished at the change.

It is stated that Dr. Ormiston has had another attack of paralysis of the tongue and thet he is unable to fill his pulpit. We believe that this is the second time the ailment has afflicted him.

Iron in the Blood

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as casily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Halizing Agent, Iron in the blood, and cures 'a thousand ills,' simply by Toning up, Invigorating and Vitalizing the System. The enriched and v. 'alized blood permeates every, 'rt of the body, repairing dama, 's and waste, searching out 'n. 'rbid secretions, and leaving 'othing for disease to feed upon.

This is the secret of 'm conderful success of the remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhea, Boils, Nervous Affections,

rhea, Boils, Nervous Affections Chills and Fevers, Humors Loss of Constitutional Vigor, Diseases of the Kidneys and Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Fran Constitution.

Thousands have been changed by the use of this remedy, from weak, sick a stifering creatures, to strong, healthy, and happy men and women; and invalids ecanot reasonably hesitate to give it a trial.
