FOREIGN LOANS

*********** Berlin, June 18.—The issue of proposed Mexican national railways and Mexican government loans was barred from the German market today by the Prussian minister of commerce, Reinold Sydow. He notified the banks terested in the international syndiate in charge of the loans that they could not be listed on the bourse. This action was taken as a sequel to a request of the German government to the German banks to desist from further foreign flotations in view of the

GERMANY WILL NOT ALLOW PRINCE EDWARD ISLANDERS WESTERN LIVESTOCK VOTE AGAINST AUTOS

Charlottetown, P.E.I., June 18—A plebiscite on the automobile question was taken throughout the island yesterday by means of annual district school meetings. Returns so far show farmers very strongly opposed to allowing automobiles to run under any condition. About 90 per cent. of the districts voted against the bill passed at the last session of the legislature but held up pending the plebiscite. The government is not likely to put the measure into effect. At many meetings every man voted against it.

COMMISSIONER CHOSEN

Ottawa, June 18 .- Official announce ment was made by Hon. Martin Burrell, minister of agriculture, today of the appointment of Dr. J. P. Creamer, of Qu'Appelle, Sask., as western rep resentative of the livestock branch of the department of agriculture. The of fice is a new one and the official designation of Dr. Creamer has not yet been decided upon, but he will likely be known as western livestock commissioner.

ther foreign flotations in view of the monetary pressure.

It is understood that the German underwriters of the loans will endeavor to place their quotations abroad.

Wanagers of the state railroad at solutions abroad.

Baden, Germany, have established a garduate of Ontario Veterinary Col-

lege, Toronto, and has been practicing his profession ever since 1882, between Regina and Qu'Appelle.
