John Nisham (Indian) has been arrested by Detective Allen on a charge of assaulting Edward Daunt, Caradoc, on May 24, 1890. The prisoner was bailed to appear on Wednesday. He has eluded the police during all this time.

Walter Raleigh introduced the use of tobacco in Europe centuries ago, but if he could see the smoke of a Highland Cattle cigar manufactured by H. McLeod & Co., London, he would consider himself one of the greatest of public benefactors. It is a five-cent cigar and has no superior on the market. The composition is of the choicest native tobacco, the workmanship of the best and the flavor delicious. Try them.

Programme, Western Fair.

The following comment we copy from the ADVERTISER: The great attraction to the left on entering the main building is the display of W. S. Byers Barkwell, consisting of these fragrant and lasting perfumes, Pedors and Wincha Bouquet, the cross sensations. Here hundreds of ladies may be seen to throng around that center with their handkerchiefs extended to the spray of the atomizer till they are almost saturated. Then they pass on sweetly smiling at being the happy possessor of those popular odors for which Mr. Barkwell received first prize at the Provincial Exhibition and so completely filled the Crystal Palace to the great admiration of all. Surrounding these are toilet articles and pharmaceutical preparations, all of which are most harmoniously arranged in every particular and contained in an inclosed case on either side of which is to be seen elegant show bottles towering to great height and containing liquids of various bright and beautiful colors, but we would not do Mr. Barkwell, and especially our readers, justice if we failed to mention Barkwell's sure Cure and Barkwell's Bronchial Balsam. They are well known and reliable articles, which he sends to all parts of the Province, and in addition to the above Mr. Barkwell controls all the late Messrs. Harkness & Co.'s valuable preparations, such as "Harkness' Beef, Iron and Wine," "Harkness' Bronchial Syrup," "Kamphone," etc.
